DEPARTMENT OF CHEMISTRY

INSTRUMENTAL OPERATING TECHNIQUES (2021-22)

The Department of Chemistry offers a certificate course on Basic of Clinical chemistry for the students of U.G & P.G.

Instrumental Operating Technique enhances ability to use chemical theories to explain and predict observable phenomena, ability to competence with lab equipment and devices are expected in addendum to precise recording of data, equipment handling, precautions while handling tools and equipment.

After the completion of the syllabus, written and oral examinations are conducted to evaluate the understanding and the knowledge of the students. Certificates are also issued to the students on the basis of the grade scored by them.

NOTICE

Date 13/08/2021

All the students of the college are informed that the add on certificate program is being offered by the Department of Chemistry in the session 2021-22 from 6th sep. 2021 with the subjects "Basic of Chemistry Laboratory", "Solvent Extraction Separation Techniques" and "Instrumental Operating Techniques". All the interested students can register themselves and get all the information related to these programs from the respective lecturer.

Schedule of Program

S.N o.	Add-On Certificate Program	Class Schedule	Venue	Faculty
1.	Basic of Chemistry Laboratory	Every Monday 14:00 to 17:00	Department of Chemistry	Assistant Prof. Reena saini
2.	Solvent Extraction Separation Techniques	Every Friday 14:00 to 17:00	Department of Chemistry	Prof. Radheykant Sharma
3.	Instrumental Operating Techniques	Every Saturday 14:00 to 17:00	Department of Chemistry	Assistant Prof. Sudarshan Sharma

DEPARTMENT OF CHEMISTRY

SOLVENT EXTRACTION SEPARATION TECHNIQUES(2021-22)

The Department of Chemistry offers a certificate course on Basic of Clinical chemistry for the students of U.G & P.G.

Solvent Extraction Separation Techniques enhance the ability to separate compounds based on their relative solubilities, the ability to dissolve another substance.

Solvent extraction is used:

- In across multiple industries
- Including during the processing of perfumes and vegetable oil
- In petrochemical refining industries.
- To separate hazardous contaminants from sludge and sediments

After the completion of the syllabus, written and oral examinations are conducted to evaluate the understanding and the knowledge of the students. Certificates are also issued to the students on the basis of the grade scored by them.

DEPARTMENT OF BOTANY

ORNAMENTAL & MEDICINAL PLANTS FOR COMMERCIAL PURPOSE (2021-22)

The Department of Botany offers a certificate course on Ornamental & Medicinal Plants For Commercial Purpose for the students of U.G & P.G

The importance of ornamental plants are as follows:

1. Aesthetic gratification
2. General decoration
3. Beautification
4. Employment opportunity
5. For export growth

After the completion of the syllabus, written and oral examinations are conducted to evaluate the understanding and the knowledge of the students. Certificates are also issued to the students on the basis of the grade scored by them.

DEPARTMENT OF BOTANY

ENVIRONMENTAL ECOLOGY BIODIVERSITY & CONSERVATION (2021-22)

The Department of Botany offers a certificate course on Environmental Ecology Biodiversity & Conservation for the students of U.G & P.G

Environmental Ecology Biodiversity & Conservation benefits like improved water quality and air quality, increases in biodiversity and habitat protection, and reductions in greenhouse gases (GHG), are all inherent in a strategy that protects and preserves land.

After the completion of the syllabus, written and oral examinations are conducted to evaluate the understanding and the knowledge of the students. Certificates are also issued to the students on the basis of the grade scored by them.

DEPARTMENT OF MATHEMATICS

VEDIC MATHEMATICS (2021-22)

The Department of Mathematics offers a certificate course on Vedic Mathematics for the students of U.G & P.G

Benefits of Vedic Maths:

- It enables faster calculation as compared to the usual method.
- It promotes mental calculation.
- It gives students a better understanding of mathematics.
- Vedic maths improves the spiritual side of the child's personality.
- Increase creativity and confidence.

After the completion of the syllabus, written and oral examinations are conducted to evaluate the understanding and the knowledge of the students. Certificates are also issued to the students on the basis of the grade scored by them.

DEPARTMENT OF ZOOLOGY

SKILL DEVELOPMENT APPROACH IN ZOOLOGY (2021-22)

The Department of Zoology offers a certificate course on Skill Development Approach In Zoology for the students of U.G & P.G.

Skill Development Approach In Zoology are the competencies one might develop while earning a zoology degree. This may include soft skills and hard skills. Aside from a deep knowledge of animals and their habits and biology, earning a zoology degree can be a great way to develop in-demand employment skills. These competencies can help you find employment in the field of zoology or in many other industries.

After the completion of the syllabus, written and oral examinations are conducted to evaluate the understanding and the knowledge of the students. Certificates are also issued to the students on the basis of the grade scored by them.

DEPARTMENT OF ENGLISH

Report on Certificate Course in Business Communication (2021-22)

The college offers a certification course on Business Communication for the students of U.G & P.G. to improve the business communication skills of students.

The course helps the students to boost their confidence level and equips them to face the challenging world outside in an optimistic manner. The activity oriented sessions in the syllabus aim to enhance the employability skills and make them competent to survive in a corporate world.

Written and oral examination is conducted after the completion of the syllabus to evaluate the understanding and the knowledge of the students. Certificates are also issued to the students on the basis of the grade scored by them.

The teachers have successfully handled all the activity sessions in a unique style of their own. They have also added some innovative strategies to make the activities more interactive and lively.

The syllabus for Business Communication comprises 25 days. The syllabus focuses mainly on activities which help in the overall development of the students. The activities compiled by Ms. Megha Sharma (Department of English).

The main motive of the course curriculum is to help students gain confidence, investment policy, loss & profit conditions etc. The syllabus deals with activities based on speaking skills which helps the students capable of speaking on a public platform which enables the students to present content with confidence and clarity. It deals with interpersonal skills which help the students to interact well with each other and produce creative ideas. In total, the business communication course curriculum helps in broadening the intellectual horizons of the students.

Written and Oral examinations were conducted (in November 2021) after the completion of the course, for evaluating the speaking and writing skills of the students. Certificates were also issued to the students based on their performance in oral and written examinations. The key concepts of this course include self-control, positive self-concept, social skills, communication, and higher order thinking skills.

DEPARTMENT OF GEOGRAPHY

GIS and Remote Sensing (2021-22)

The Department of Geography offers a certificate course on GIS and Remote Sensing for the students of U.G & P.G. to improve their economic and strategic value of GIS.

The course helps in labour savings from automating or improving a workflow, better decisions about location and better geographic information recordkeeping. GIS provides a strong framework for managing these types of systems with full transaction support and reporting tools. These systems are conceptually similar to other information systems in that they deal with data management and transactions, as well as standardised reporting (e.g., maps) of changing information

After the completion of the syllabus, written and oral examinations are conducted to evaluate the understanding and the knowledge of the students. Certificates are also issued to the students on the basis of the grade scored by them.
