**WORKSHOP CUM FACULTY
DEVELOPMENT PROGRAM
ON
RESEARCH SKILLS**

10th to 12th September, 2021

Seth Gyaniram Bansidhar Poddar College, Nawalgarh initially has Mahatma Gandhi as the first Chairman Trustee. The College is one of the finest institutions in the Shekawati region. Growing from the past of a Brahmacharya Ashram, the college has developed a lot according to the needs of the modern world. The aim with which the college was established is to educate the population and uplift them by the morals of education. The college has initially received donations from Shri Anandilalji Poddar. His wish was to educate the society he was brought up so that more people can have their dreams come true. The college established in the pre-independent era of the country has gone through a lot of changes, and now holds the respect of being one of the best. This is the first college in the pre-independent state of Jaipur. The College has a well-equipped library. With over 75,000 books and more than enough journals and magazines, the college provides the students freedom to know what they wish. Yearbooks, rare collections are also a part of the vast library. All science departments have their individual labs. Students are given training in these labs so as to better their understanding of the subject.

WORKSHOP
ON
SKILL DEVELOPMENT
PROGRAM ON PATENTING
12th & 13 AUGUST, 2019

Seth Gyaniram Bansidhar Poddar College, Nawalgarh initially has Mahatma Gandhi as the first Chairman Trustee. The College is one of the finest institutions in the Shekawati region. Growing from the past of a Brahmacharya Ashram, the college has developed a lot according to the needs of the modern world. The aim with which the college was established is to educate the population and uplift them by the morals of education. The college has initially received donations from Shri Anandilalji Poddar. His wish was to educate the society he was brought up so that more people can have their dreams come true. The college established in the pre-independent era of the country has gone through a lot of changes, and now holds the respect of being one of the best. This is the first college in the pre-independent state of Jaipur. The College has a well-equipped library. With over 75,000 books and more than enough journals and magazines, the college provides the students freedom to know what they wish. Yearbooks, rare collections are also a part of the vast library. All science departments have their individual labs. Students are given training in these labs so as to better their understanding of the subject.

Event Details

India has become a member of the global patent regime but awareness and expertise on the subject of Intellectual property Rights (IPR) in the academic institutions is still inadequate. To apply for registration of IP, the college students are required to observe confidentiality in relation to such information though as a university the purpose is to disseminate of information and the building of the research base. Maintenance of a proper balance and fine tuning of academic excellence with academic integrity and protection and exploitation of intellectual property rights is becoming very important for the universities. In the current scenario the aggressive and targeted creation of intellectual property is the need of the hour. Protection of IPR and its commercialization propagates innovative culture, profitability, market leadership and helps creation of wealth for the individual and eventually the Nation. For that IPR awareness is required which is significant for fruitful growth of the Intellectual property rights (IPRs). In view of above a one day awareness workshop on "IPR, Patents and Patentability Assessment", has been conducted at Podar College on 8 October 2019 by the ABST department.

Participation was very encouraging from various stream of colleges students in the workshop. There were 55 enthusiastic participants in all including 25 faculty from colleges, 50 from students who participated in the day long deliberations of the workshop on IPR. The programme included talks on importance of IPRs and their protection, Patenting procedures and patent informatics, patent searches, role of innovation and invention in the academia-industry collaborations, trademark and copyright protection, issues of do's and don'ts for a researcher in the context of publishing and patenting. As resource person Dr Anil Sharma Associate Prof from Motilal college, Jhunjhunu who gave a very interesting interactive talk on Copyright protection and infringement, do's and don'ts to avoid infringement and Plagiarism.

WORKSHOP ON INTELLECTUAL PROPERTY RIGHT & PATENT

14th December, 2019

Seth Gyaniram Bansidhar Poddar College, Nawalgarh initially has Mahatma Gandhi as the first Chairman Trustee. The College is one of the finest institutions in the Shekawati region. Growing from the past of a Brahmacharya Ashram, the college has developed a lot according to the needs of the modern world. The aim with which the college was established is to educate the population and uplift them by the morals of education. The college has initially received donations from Shri Anandilalji Poddar. His wish was to educate the society he was brought up so that more people can have their dreams come true. The college established in the pre-independent era of the country has gone through a lot of changes, and now holds the respect of being one of the best. This is the first college in the pre-independent state of Jaipur. The College has a well-equipped library. With over 75,000 books and more than enough journals and magazines, the college provides the students freedom to know what they wish. Yearbooks, rare collections are also a part of the vast library. All science departments have their individual labs. Students are given training in these labs so as to better their understanding of the subject.

Event Details

Objectives of the workshop

- To create awareness on Intellectual Property Rights and Patents.
- To develop Academic and Industrial research perspective.
- To protect and explore IPRs.

The argument underlying public policy intervention to protect Intellectual Property Rights (IPRs) is that without such protection competitive market systems fail to provide private agents with sufficient incentives to undertake the costly and risky investments that generate the new ideas and technologies (knowledge) now widely recognized as the main source of sustained economic growth. This is because knowledge has "public good" attributes. Knowledge is typically non-excludable; in that it is not possible to prevent others from applying new knowledge even without the authorization of its creator. If a new technology is valuable, it is therefore likely to be copied or imitated, reducing the potential profits of the original inventor and potentially removing the incentive to engage in innovative activities.

Where "imitation" has lower costs than "innovation", imitators have the advantage over innovators unless the latter can restrict access to their innovation. This characteristic provides the argument for strong IPR protection. IPRs create ownership of intellectual property by giving innovators the legally enforceable power to prevent others from using an intellectual creation or to set the terms on which it can be used. For that IPR awareness is required which is significant for fruitful growth of the Intellectual property rights (IPRs). In view of above a one day awareness workshop on Intellectual Property Rights On Technology Transfer and open sciences: Challenges and Opportunities", has been conducted at Podar College on 16 Jan. 2020 by the Management department. There were 43 enthusiastic participants in the workshop on IPR. As resource person Dr Sunil Kadwasara Assistant Prof from Sekhawati college, Sikar who gave a very interesting interactive talk on Challenges and Opportunities.

Event Details

A One day workshop on "One Day Seminar on Entrepreneurship and Leadership Quality" was organized by PIMS, Seth G. B. Podar College, Nawalgarh, Jhunjhunu. The main objective of the Workshop was to familiarize participants with the emerging ideas and trends on how to develop personality in the 21st century contexts. Human personality influences and impacts the functioning of an individual and organizations. The fact that humans are social is determined by individual as well as collective contexts. Understanding one's own personality and nurturing it well enables one to be a fine human being and an effective professional.

Humans need to learn how to cope with the problems and face the hardships while shaping our careers to become professionals and contributing citizens. Dr Mohan Lal Sharma, Lecturer, Sujangadh College, Sujangadh, Churu give lecture and 35 students benefited from this event. The programme also aimed to teach participants to work with various professionals, people and groups to understand the meaning of life and work in the present context; to enhance their communication skills and interpersonal skills in order to function in professional and social settings effectively; to enrich the academic language skills (writing and presentation skills) for academic writing and presentations; to understand effective planning, time management and implementation for setting goals and achieving both personal and professional goals; to learn to evaluate oneself (self appraisal and introspection) for further growth, personally and professionally.

Event Description:

PIMS Department has organized a One day workshop on "Introduction of Patents and its uses for research Scholars and Students" on 25 July 2018. The program is started with welcome note by the Principal followed by the lecture session. During this workshop the following points were discussed about Introduction about Patents, Types of Patents, Uses and applications of Patents, Understanding the various Patents and if else rules. The objectives of the program are: Be coherent and balanced: 1) Offering a fair level of protection to inventors/applicants from all backgrounds. 2) Providing a fair balance between the rights of inventors/applicants and third parties. Provide legal certainty to inventors/applicants and third parties alike. Promote high quality patents by ensuring that patent protection is provided only to inventions that are new, involve an inventive step and are capable of industrial application.

Details of Resource Person: The resource person of the one day work shop Dr. Muktak Sharma, PhD, M. Com, LL.M, practitioner having around 12 years of experience in Intellectual Property rights and patent laws, Legal Practice, Cross Border Trade Laws and Insolvency acts. He is having a Strong Knowledge and on hand experience on IPR process, filing the Patent application, Copyright application, Trademark application, Design application and the Scheme for Facilitating Start-ups Intellectual Property Protection.

Event Description:

Event Description: In today's globally competitive environment, intellectual property has placed itself on a pedestal in the context of economic growth and is becoming increasingly important. Intellectual Property (IP) is the fuel that powers the engine of prosperity, fostering invention and innovation. The increasing significance of intangible assets in the global- economy is forcing business organizations to actively manage their IP as a key driver for building and sustaining their competitive advantage and achieving superior performance. IP has gained center stage and has attained more focus, more tention and is a subject matter of discussion between government, institutions, industries under various regimes and protocol that aro put in place to ensure that the world in which we live, where knowledge and innovation are the engines of development and growth. In that world, those who have the creative minds and ability should feel assured that not only their efforts have been duly recognized but it is secured in a specified manner. Details of Resource Person: Dr. R K Ruhela, Asso. Professor, Motilal college, Jhunjhunu, having more than 15 years of experience in different positions and computer science filed.

**WORKSHOP CUM FACULTY
DEVELOPMENT PROGRAM
ON
RESEARCH
METHODOLOGY**

9th to 10th November, 2018

Seth Gyaniram Bansidhar Poddar College, Nawalgarh initially has Mahatma Gandhi as the first Chairman Trustee. The College is one of the finest institutions in the Shekawati region. Growing from the past of a Brahmacharya Ashram, the college has developed a lot according to the needs of the modern world. The aim with which the college was established is to educate the population and uplift them by the morals of education. The college has initially received donations from Shri Anandilalji Poddar. His wish was to educate the society he was brought up so that more people can have their dreams come true. The college established in the pre-independent era of the country has gone through a lot of changes, and now holds the respect of being one of the best. This is the first college in the pre-independent state of Jaipur.

The College has a well-equipped library. With over 75,000 books and more than enough journals and magazines, the college provides the students freedom to know what they wish. Yearbooks, rare collections are also a part of the vast library.

All science departments have their individual labs. Students are given training in these labs so as to better their understanding of the subject.

Event Description:

Event Description: A citation is the text reference and acknowledgement of documented information. A scientifically written article comprises a reference section at the end where all the references mentioned in the document are cited serially, and each reference is a citation. A citation count is the frequency of an article cited by other articles. A citation index is a kind of bibliographic database, an index of citations between publications, allowing the user to easily establish which later documents cite which earlier documents. Citation indexing consists of the charting of the text details of each such reference. Citations are used as a measure of importance of the information source and enables users to gather data on the "impact" of journals as well as assessing and analyzing particular areas of research activity and publication.

Details of Resource Person: Professor Dr. S C Sharma, Rajasthan University recognized for outstanding organization skills, creativity, public relations and an ability to consistently exceed expectation. He has hands on experience and skill in developing curriculum to accommodate different learning styles and maximizing student's comprehension. He promotes the exchange and mutual enrichment of knowledge by delivering lectures in various National, International conferences and workshops.

WORKSHOP

ON

RESEARCH METHODOLOGY FOR HUMANITIES

15th DECEMBER, 2018

Seth Gyaniram Bansidhar Poddar College, Nawalgarh initially has Mahatma Gandhi as the first Chairman Trustee. The College is one of the finest institutions in the Shekawati region. Growing from the past of a Brahmacharya Ashram, the college has developed a lot according to the needs of the modern world. The aim with which the college was established is to educate the population and uplift them by the morals of education. The college has initially received donations from Shri Anandilalji Poddar. His wish was to educate the society he was brought up so that more people can have their dreams come true. The college established in the pre-independent era of the country has gone through a lot of changes, and now holds the respect of being one of the best. This is the first college in the pre-independent state of Jaipur. The College has a well-equipped library. With over 75,000 books and more than enough journals and magazines, the college provides the students freedom to know what they wish. Yearbooks, rare collections are also a part of the vast library. All science departments have their individual labs. Students are given training in these labs so as to better their understanding of the subject.

SETH GYANIRAM BANSIDHAR PODAR COLLEGE

Podar Educational Campus, Nawalgarh - 333042 (Raj.)

Event Description:

This workshop how to manage and IPR portfolio aimed to managing a business knows the importance of maximizing the return on investments in employees, products, and equipment. But it's easy to overlook an important asset: a company's intellectual property (IP), or all the intangible knowledge that makes your company tick. We're not just talking patents and copyrights here; intellectual assets go well beyond the technology that gets baked into products to include branding, know-how, trade secrets, and more.

Details of Resource Person:

Dr J P Kadwasara is a skilled and professional educator with 15 years of experience in teaching, training and administration. And trained psychologist with an ability to distinguish aspects of human behavior and performance: individual differences in ability, personality, and interests; learning and motivation; psychological research methods; and assessment and treatment of behavioral and affective disorders. She is a hardworking and an effective team leader with the ability to understand the changing needs of the students & management and act accordingly. Her current job and academic projects undertaken have helped harness time management, team work, team building and effective co-ordination skills.

"ONE DAY WORKSHOP ON INTELLECTUAL DESIGN RIGHTS"
05TH FEB. 2018.

Event Description:

The workshop intellectual Design Rights aimed to identify the IPR in the competitive world has placed itself on a pedestal in the context of economic growth and is becoming increasingly important. Intellectual Property (IP) is the fuel that powers the engine of prosperity, fostering invention and innovation. The increasing significance of intangible assets in the global economy is forcing business organizations to actively manage their IP as a key driver for building and sustaining their competitive advantage and achieving superior performance. IP has gained center stage and has attained more focus, more attention and is a subject matter of discussion between government, institutions, industries under various regimes and protocol that are put in place to ensure that the world in which we live, where knowledge and innovation are the engines of development and growth. In that world, those who have the creative minds and ability should feel assured that not only their efforts have been duly recognized but it is secured in a specified manner.

Details of Resource Person: Mr Kishor Saini, MBA, LLB, P.G. Diploma in IPR & Cyber Security is a High court Advocate and IPR practitioner having around 5 years of experience in Intellectual Property rights and patent laws, Legal Practice, Cross Border Trade Laws and Insolvency acts. He is having a Strong Knowledge and on hand experience on IPR process, filing the Patent application, Copyright application, Trademark application, Design application and the Scheme for Facilitating Start-ups Intellectual Property Protection.

WORKSHOP CUM FACULTY
DEVELOPMENT PROGRAM
ON
RESEARCH
METHODOLOGY

6th & 7th April, 2018

Seth Gyaniram Bansidhar Poddar College, Nawalgarh initially has Mahatma Gandhi as the first Chairman Trustee. The College is one of the finest institutions in the Shekawati region. Growing from the past of a Brahmacharya Ashram, the college has developed a lot according to the needs of the modern world. The aim with which the college was established is to educate the population and uplift them by the morals of education. The college has initially received donations from Shri Anandilalji Poddar. His wish was to educate the society he was brought up so that more people can have their dreams come true. The college established in the pre-independent era of the country has gone through a lot of changes, and now holds the respect of being one of the best. This is the first college in the pre-independent state of Jaipur. The College has a well-equipped library. With over 75,000 books and more than enough journals and magazines, the college provides the students freedom to know what they wish. Yearbooks, rare collections are also a part of the vast library. All science departments have their individual labs. Students are given training in these labs so as to better their understanding of the subject.

पोदार कॉलेज में रिसर्च मेथोडोलॉजी पर वर्कशॉप का आयोजन

न्यूज सर्विस/नवज्योति, नवलगढ़। कस्बे के सेठ जी.बी.पोदार कॉलेज में शुक्रवार को तीन दिवसीय रिसर्च मेथोडोलॉजी वर्कशॉप का शुभारंभ हुआ। वर्कशॉप के प्रथम चरण में प्राचार्य डॉ. सत्येन्द्र सिंह ने शोध पत्र एवं प्रकाशन के तरीके पर विचार रखें। डॉ. सत्येन्द्र सिंह ने बताया कि हमें शोधपत्र लिखते समय या शोध के समय मौलिकता पर हमेशा ध्यान देना चाहिए। जिससे स्तरीय निष्कर्ष प्राप्त किए जा सके। प्राचार्य ने अपने प्रस्तुतीकरण में शोधपत्र के विभिन्न चरणों की विस्तृत व्याख्या की। वर्कशॉप के दूसरे चरण में डॉ. विक्रम सिंह जाखड़ ने शोध प्रणाली एवं विधितंत्र पर अपना

व्याख्यान दिया। उन्होंने बताया कि शोध का विषय स्पष्ट, सुग्राह्य होना चाहिए। शोधपत्र लिखते समय 8-10 चरणों में विभाजित किया जाना चाहिए। शोधपत्र को गुणवत्तायुक्त बनाने के लिए जो आंकड़े प्रयोग में लिए जाए वे वास्तविक

हों तथा उनका विप्लेषण एवं निष्कर्ष भय व पक्षपात रहित होना चाहिए। जिससे बेहतर निष्कर्ष प्राप्त किए जा सके। इस अवसर पर कॉलेज उप-प्राचार्य व प्फाबु संयोजक डॉ. विनोद सैनी, सभी विभागाध्यक्ष एवं व्याख्याता मौजूद रहे। पोदार ट्रस्ट के अधिशासी निदेशक एम. डी. शानभाग ने कॉलेज में शोध कार्यों को बढ़ावा देने के लिए प्रेरित किया। पोदार कॉलेज ट्रस्ट के चेयरमैन राजीव के. पोदार व ट्रस्टी वेदिका पोदार ने शोध एवं नवाचार के क्षेत्र में द्वारा आयोजित वर्कशॉप पर प्रसन्नता व्यक्त की तथा संकाय सदस्यों व छात्र-छात्राओं से इससे अधिक से अधिक भाग लेने की अपील की।
