Nawalgarh

Subject: Permission for celebrate the National Mathematics Day.

Respected Sir,

With due regards we wants to state that the department of Mathematics wants to celebrate National Mathematics Day on 22 Dec. 2021.

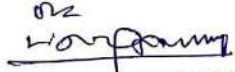

So we have requested to you to permit and oblige.

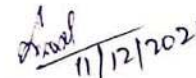

Thanking You,

Yours faithfully

  
(Vidyadhar Sharma)

## *Objects of the webinar*

A webinar , there are two-ways interaction that is professors and students can communicate in live session or share information on the on-line platform in real time. Webinar is a cost effective learning tool and encourage interaction through anonymity. Also, Webinar software makes it easier to access and host a session.

The main objective of conducting the webinars is to help the audience enhance their knowledge and update their skills by inputting the latest techniques and method related to their respective fields. As there is a great opportunity for the participants to attend webinars just by setting at home or in the office without spending more time and money.

The internet has made things quite easy and convenient for educators around the world. By the help of webinars, an internet connection, students and professors can holds classes, discussions and seminars anywhere in the world by connecting with people from all around the world in real-life.

## Webinar Report

Date	:	05-03-2022	
Time	:	12:15 PM onwards	
Webinar Platform	:	Google Meet App	
Title	:	<b>SOME FUNDAMENTAL CONCEPTS OF DIFFERENTIAL GEOMETRY</b>	
Key Note Speaker	:	<b>Dr. GAUREE SHANKER,</b> Professor and Head, Center for Mathematics and Statistics, School of Basic and Applied Sciences, Central University of Punjab Bathinda, Punjab-151001	
Attended by	:	All Mathematics Professors, UG and PG Mathematics Students	
Distributions	:	IQAC & Principal office	

# Webinar Report

On 5<sup>th</sup> March, 2022 a national webinar organized in department of mathematics on “**SOME FUNDAMENTAL CONCEPTS OF DIFFERENTIAL GEOMETRY**” by keynote **Dr. GAUREE SHANKER**, Professor and Head, Center for Mathematics and Statistics, School of Basic and Applied Sciences, Central University of Punjab Bathinda, Punjab.

With the encouragement and support from the Anandilal Podar Trust, Nawalgarh. The Seth G.B Podar college organized a webinar on “**SOME FUNDAMENTAL CONCEPTS OF DIFFERENTIAL GEOMETRY**” on March 5, 2022 at 12:15 pm at Dr. Ramnath A. Podar auditorium, around 84 participant including the college Principal, Professors, Associate Professors, Assistant Professors, Ministerial staff and students of U.G and P.G.

The webinar started with the inaugural address by Dr. Satyendra Singh (Principal), Dr. Singh extended his warm welcome to the participants and keynote speaker of webinar.

Dr. Gauree Shanker delivered his presentation on “**SOME FUNDAMENTAL CONCEPTS OF DIFFERENTIAL GEOMETRY**”. He highlighted about the optimization techniques with their formulation, applications, limitations and their computational procedure. He elaborated some special cases in simplex method. He also explained to the students that how optimization techniques are useful in daily life with some surrounding examples. In the end of session, he answered queries from students.

Prof. Vidyadhar Sharma presented the vote of thanks in the end of session.
