Objective of Basant Panchami

The objective of celebrating Vasant Panchami is to express and enjoy the Bliss from the newly generated chaitanya and creation in Nature.

To get enlightenment with knowledge, Devotees, especially from the education sector, like students, teachers, worship Goddess Saraswati on the big day. Many educational institutions arrange special prayers or pujas in the morning to seek the blessing of the goddess. Poetic and musical gatherings are held in some communities in reverence for Saraswati.

Report - Basant Panchami Utsav

Dedicated to Goddess Saraswati, Basant Panchami marks the arrival of the Spring season in India. Saraswati is the Goddess of knowledge, music, learning and arts. It is believed that without her blessings, the world would be shrouded in ignorance, as she represents enlightenment.

A special assembly on the occasion of Basant Panchami was conducted by the students on 5th February, 2022. The students and teachers were dressed in yellow coloured attires. The celebration commenced with rendition of Saraswati Vandana. Thereafter, children were apprised regarding the significance of celebrating the festival. As the assessments are round the corner, it was conveyed to the students that they must define their goals, prioritize their studies, plan and schedule their lessons so that they can attain success. Teachers also conveyed their best wishes to the young learners.
