# **OBJECTIVES OF THE EVENT**

The main objective behind the celebration is to raise awareness among people about the importance of mathematics for the developable of humanity. We can't ignore that several initiatives are taken to motivate, enthuse and inculcate a positive attitude towards learning mathematics among the younger generation of the country. On this day, training is also provided to the mathematics teachers and students through camps and highlights the development, production and dissemination of teaching – learning materials (TLM) for mathematics and research in related areas.

## **Report of National Mathematics Day celebration**

---

With the encouragement and support from Hon'ble Executive Director, Principal & Vice –Principal Seth G.B. Podar College Nawalgarh 10<sup>th</sup> National Mathematics Day was celebrated on 22nd December 2021. The Indian government declared 22 December to be National Mathematics Day. This was announced by Prime Minister Manmohan Singh on 26 February 2012 at Madras University, during the inaugural ceremony of the celebrations to mark the 126th anniversary of the birth of the Indian genius mathematician Shri Srinivasa Ramanujan (22 Dec 1887- 26 Apr 1920). On this occasion Former Prime Minister Dr. Manmohan Singh also announced that 2012 would be celebrated as the National Mathematics Year. Since then, India's National Mathematics Day is celebrated every 22 December with numerous educational events held at schools and universities throughout the country.

The main objective of the event was to celebrate Sir Ramanujan's birthday and make students realize the practical and daily life applications of Mathematics. The event started by lightening the lamp and garlanding Srinivasa Ramanujan's photo in the Department of Mathematics.
