Children's Day celebration activity

Under

Students extracurricular activity

organized by

Department of Chemistry (14.11.2022)

REPORT

Children's Day reminds us of the birth of Pt. Nehru, country's first Prime Minister. This day is celebrated in various ways in educational institutions in this country. This Monday, our college (Chemistry Department) is also celebrating Children's day. The students from M.Sc. Pre and Final of the chemistry department and some students of UG participated in the programme. The teachers took the students in M.Sc. Final classroom. About 40 students (PG) of the chemistry department participated along with department teachers.

The classroom was decorated like a bride by the students themselves. The chief guest was the HOD of chemistry department Mr. Chetan Dadheech.

The programme began at 12:30 PM with Saraswati vandana with childrens. HOD Sir gave a short speech on the occasion. He told the students about Pt. Nehru and his love for childrens and they motivated students about how they can achieve their aim and goals in the future.

The departmental teachers suggested students to get ready for the new horizons of education as applied aspects of the subjects will get more recognition in future teaching learning process.

After Saraswati vandana, some intraclass fun activities and games were organized by Prof. Vishakha Punkhia. The Games , Musical chair ,Sandwich making competition and balloon blown-paper glass are performed by students. Winners of the competitions were given prizes and rewards.

All the students had brunch and chocolates after the games and activities.
