ROLE OF IT IN EDUCATION

Presentation Title	: Role of IT in Education
Presentation Venue	: PIMS Room No. 41
Date	: 24/03/2022
Duration	: 11.40 am to 12.40 pm
Organized by	: PIMS Department
Present	: Prof. Rajesh Verma, Prof. Narendra Saini, Prof. Mukesh Saini, Mrs. Rachna & Dr. Uma Soni
Delivered by	: BCA Students
Beneficiaries	: 30 Students (All BBA & BCA)
Distribution	: IQAC & Principle Office

Introduction:

In Present Scenario, every aspect of our life is connected to IT. In every field of human life, information and technology is spreading its impact. IT plays an important role in the field of education to make the learning process effective. Students can raise their doubts and teachers can provide the solutions without going to one's place. Traditional methods of teaching can be, boring and students start getting frustrated. But information technology make learning process more interested through games, animated graphics etc. It works as a motivator for learners to improve their skill and self assessment.

Objectives:

1. Used to provide real- world environment to improve learning methods.
2. Used to enhance the communication through Internet and communication media.
3. Used as productivity tool to make easier such as spreadsheet, databases, word processor etc.
4. To improve the student learning and basic skill area.
5. To make Effective and interesting teaching program.
6. To achieve quality education in institution.
7. Online examination & monitoring.
8. To Provide Security of confidential data and documents.
9. To save time & Cost of Institution.

About Event:

A Presentation was held under the aegis of Technical Session of PIMS Department at Seth G.B .Podar College, run by The Anandilal Podar Trust, in which Students presented their presentation on latest topics of Technical area. Advance learners prepared this presentation to grow slow learners of their class. In this session Students attended presentation to attain knowledge about these trendy topics as well as faculty measure the skill and confidence level of presenter. The presenter shared vital information & current trends in IT. Presenter share their knowledge about IT that learner can improve their skill & monitor performance. To make effective teaching & learning and maintain the vision of quality education, role of IT is important. In institution IT Provide security and save time & cost of education sector.
