

Report of Faculty Development Program

Under the Faculty Development Program at the Seth G B Podar College, Nawalgarh, on 8th March 2022, Professor Dr. B.U. Khan, former Head of Department of Chemistry, University of Kashmir, delivered a compendious lecture on the topic "Literacy, Education and Morality". He explained the importance of ethics in education by explaining the meaning of the title of the lecture through various illustrations.

He clarified the non duality between the duty of the teachers and the right of the learners. According to him moral pollution is the reason behind the various defects or discrepancies presently seen, which can be resolved only by teachers.

In this lecture, the Principal, Vice-Principal and all the lecturers of Podar College, Nawalgarh as well as faculty members of various government and private colleges of the state participated and also gave their feedback on various aspects of the lecture.

Undoubtedly, this lecture was not only inspired all the listeners to introspect but also awaken for the resolve of self-purification.

Inaugurating the program, Dr. Daulal Bohra, Head of Department of Zoology, Podar College, introduced the keynote speaker Dr. Khan in front of the audience. Prof. Chetan Dadhich, Head of the Chemistry Department, informed the audience about the seriousness and relevancy of this topic.

The Vice-Principal of the college, Dr. Vinod Saini, thanked the speaker & audience. He also convey his gratitude towards the college management for the inspiration for organizing such a meaningful lecture. At the end of the program Principal Dr. Satyendra Singh thanked Dr. BU Khan and requested him to benefit the faculty members and students of the college with their knowledge and experience in the same way in future also.
