

SETH GYANIRAM BANSIDHAR PODAR COLLEGE

Recognition of college under Section 2(f)/12(B), UGC Act, 1956
Affiliated to Pandit Deendayal Upadhyaya Shekhawati University, Sikar

CERTIFICATE OF EXPERIENTIAL LEARNING DEPARTMENT OF ZOOLOGY

This certificate is awarded to

Student Name - *Alok Bhaskar*

in recognition of successful completion of the B.Sc. Part II Zoology laboratory course

Date - *06/02/2023*

This course provided hands-on experience in various aspects of zoology, including:

- **Animal Diversity:** Identification and classification of diverse animal groups through museum specimens and microscopic slides.
- **Animal Anatomy:** Dissection and analysis of internal organ systems in representative invertebrates.
- **Laboratory Techniques:** Preparation of permanent slides, microbial culture preparation, and basic biochemical tests.
- **Physiology and Biochemistry:** Understanding fundamental processes like enzyme activity, blood cell analysis, and biomolecule identification.
- **Microbiology and Immunology:** Study of microorganisms, food spoilage, and basic immunological concepts.

Alok Bhaskar has demonstrated proficiency in practical laboratory skills, anatomical knowledge, and an understanding of fundamental zoological principles.

Signature of Instructor

PROF. RAKESH KUMAR JANGIR

ASSISTANT PROFESSOR

SETH GYANIRAM BANSIDHAR PODAR COLLEGE

Recognition of college under Section 2(f)/12(B), UGC Act, 1956
Affiliated to Pandit Deendayal Upadhyaya Shekhawati University, Sikar

CERTIFICATE OF EXPERIENTIAL LEARNING DEPARTMENT OF ZOOLOGY

This certificate is awarded to

Student Name - Anisha Saini

in recognition of successful completion of the B.Sc. Part II Zoology laboratory course

Date - 06/02/2023

This course provided hands-on experience in various aspects of zoology, including:

- **Animal Diversity:** Identification and classification of diverse animal groups through museum specimens and microscopic slides.
- **Animal Anatomy:** Dissection and analysis of internal organ systems in representative invertebrates.
- **Laboratory Techniques:** Preparation of permanent slides, microbial culture preparation, and basic biochemical tests.
- **Physiology and Biochemistry:** Understanding fundamental processes like enzyme activity, blood cell analysis, and biomolecule identification.
- **Microbiology and Immunology:** Study of microorganisms, food spoilage, and basic immunological concepts.

Anisha Saini has demonstrated proficiency in practical laboratory skills, anatomical knowledge, and an understanding of fundamental zoological principles.

Signature of Instructor

PROF. RAKESH KUMAR JANGIR

CERTIFICATE OF EXPERIENTIAL LEARNING DEPARTMENT OF ZOOLOGY

This certificate is awarded to

Student Name - Ms. Nikita Kumari

in recognition of successful completion of the B.Sc. Part II Zoology laboratory course

Date - 06/02/2023

This course provided hands-on experience in various aspects of zoology, including:

- **Animal Diversity:** Identification and classification of diverse animal groups through museum specimens and microscopic slides.
- **Animal Anatomy:** Dissection and analysis of internal organ systems in representative invertebrates.
- **Laboratory Techniques:** Preparation of permanent slides, microbial culture preparation, and basic biochemical tests.
- **Physiology and Biochemistry:** Understanding fundamental processes like enzyme activity, blood cell analysis, and biomolecule identification.
- **Microbiology and Immunology:** Study of microorganisms, food spoilage, and basic immunological concepts.

Ms. Nikita Kumari has demonstrated proficiency in practical laboratory skills, anatomical knowledge, and an understanding of fundamental zoological principles.

Signature of Instructor

PROF. RAKESH KUMAR JANGIR

ASSISTANT PROFESSOR

SETH GYANIRAM BANSIDHAR PODAR COLLEGE

Recognition of college under Section 2(f)/12(B), UGC Act, 1956
Affiliated to Pandit Deendayal Upadhyaya Shekhawati University, Sikar

CERTIFICATE OF EXPERIENTIAL LEARNING DEPARTMENT OF ZOOLOGY

This certificate is awarded to

Student Name - Ms. Nikita Saini

in recognition of successful completion of the B.Sc. Part II Zoology laboratory course

Date - 06/02/2023

This course provided hands-on experience in various aspects of zoology, including:

- **Animal Diversity:** Identification and classification of diverse animal groups through museum specimens and microscopic slides.
- **Animal Anatomy:** Dissection and analysis of internal organ systems in representative invertebrates.
- **Laboratory Techniques:** Preparation of permanent slides, microbial culture preparation, and basic biochemical tests.
- **Physiology and Biochemistry:** Understanding fundamental processes like enzyme activity, blood cell analysis, and biomolecule identification.
- **Microbiology and Immunology:** Study of microorganisms, food spoilage, and basic immunological concepts.

Ms. Nikita Saini has demonstrated proficiency in practical laboratory skills, anatomical knowledge, and an understanding of fundamental zoological principles.

Signature of Instructor

PROF. RAKESH KUMAR JANGIR

ASSISTANT PROFESSOR

SETH GYANIRAM BANSIDHAR PODAR COLLEGE

Recognition of college under Section 2(f)/12(B), UGC Act, 1956
Affiliated to Pandit Deendayal Upadhyaya Shekhawati University, Sikar

CERTIFICATE OF EXPERIENTIAL LEARNING DEPARTMENT OF ZOOLOGY

This certificate is awarded to

Student Name - Ms. Pinki

in recognition of successful completion of the B.Sc. Part II Zoology laboratory course

Date - 06/02/2023

This course provided hands-on experience in various aspects of zoology, including:

- **Animal Diversity:** Identification and classification of diverse animal groups through museum specimens and microscopic slides.
- **Animal Anatomy:** Dissection and analysis of internal organ systems in representative invertebrates.
- **Laboratory Techniques:** Preparation of permanent slides, microbial culture preparation, and basic biochemical tests.
- **Physiology and Biochemistry:** Understanding fundamental processes like enzyme activity, blood cell analysis, and biomolecule identification.
- **Microbiology and Immunology:** Study of microorganisms, food spoilage, and basic immunological concepts.

Ms. Pinki has demonstrated proficiency in practical laboratory skills, anatomical knowledge, and an understanding of fundamental zoological principles.

Signature of Instructor

PROF. RAKESH KUMAR JANGIR

ASSISTANT PROFESSOR

SETH GYANIRAM BANSIDHAR PODAR COLLEGE

Recognition of college under Section 2(f)/12(B), UGC Act, 1956
Affiliated to Pandit Deendayal Upadhyaya Shekhawati University, Sikar

CERTIFICATE OF EXPERIENTIAL LEARNING DEPARTMENT OF ZOOLOGY

This certificate is awarded to

Student Name - Ms.Ruchika

in recognition of successful completion of the B.Sc. Part II Zoology laboratory course

Date - 06/02/2023

This course provided hands-on experience in various aspects of zoology, including:

- **Animal Diversity:** Identification and classification of diverse animal groups through museum specimens and microscopic slides.
- **Animal Anatomy:** Dissection and analysis of internal organ systems in representative invertebrates.
- **Laboratory Techniques:** Preparation of permanent slides, microbial culture preparation, and basic biochemical tests.
- **Physiology and Biochemistry:** Understanding fundamental processes like enzyme activity, blood cell analysis, and biomolecule identification.
- **Microbiology and Immunology:** Study of microorganisms, food spoilage, and basic immunological concepts.

Ms.Ruchika has demonstrated proficiency in practical laboratory skills, anatomical knowledge, and an understanding of fundamental zoological principles.

Signature of Instructor

PROF. RAKESH KUMAR JANGIR

ASSISTANT PROFESSOR

SETH GYANIRAM BANSIDHAR PODAR COLLEGE

Recognition of college under Section 2(f)/12(B), UGC Act, 1956
Affiliated to Pandit Deendayal Upadhyaya Shekhawati University, Sikar

CERTIFICATE OF EXPERIENTIAL LEARNING DEPARTMENT OF ZOOLOGY

This certificate is awarded to

Student Name - Nafesh Ali

in recognition of successful completion of the B.Sc. Part II Zoology laboratory course

Date - 06/02/2023

This course provided hands-on experience in various aspects of zoology, including:

- **Animal Diversity:** Identification and classification of diverse animal groups through museum specimens and microscopic slides.
- **Animal Anatomy:** Dissection and analysis of internal organ systems in representative invertebrates.
- **Laboratory Techniques:** Preparation of permanent slides, microbial culture preparation, and basic biochemical tests.
- **Physiology and Biochemistry:** Understanding fundamental processes like enzyme activity, blood cell analysis, and biomolecule identification.
- **Microbiology and Immunology:** Study of microorganisms, food spoilage, and basic immunological concepts.

Nafesh Ali has demonstrated proficiency in practical laboratory skills, anatomical knowledge, and an understanding of fundamental zoological principles.

Signature of Instructor

PROF. RAKESH KUMAR JANGIR

ASSISTANT PROFESSOR

SETH GYANIRAM BANSIDHAR PODAR COLLEGE

Recognition of college under Section 2(f)/12(B), UGC Act, 1956
Affiliated to Pandit Deendayal Upadhyaya Shekhawati University, Sikar

CERTIFICATE OF EXPERIENTIAL LEARNING DEPARTMENT OF ZOOLOGY

This certificate is awarded to

Student Name - Nikhil Kumar

in recognition of successful completion of the B.Sc. Part II Zoology laboratory course

Date - 06/02/2023

This course provided hands-on experience in various aspects of zoology, including:

- **Animal Diversity:** Identification and classification of diverse animal groups through museum specimens and microscopic slides.
- **Animal Anatomy:** Dissection and analysis of internal organ systems in representative invertebrates.
- **Laboratory Techniques:** Preparation of permanent slides, microbial culture preparation, and basic biochemical tests.
- **Physiology and Biochemistry:** Understanding fundamental processes like enzyme activity, blood cell analysis, and biomolecule identification.
- **Microbiology and Immunology:** Study of microorganisms, food spoilage, and basic immunological concepts.

Nikhil Kumar has demonstrated proficiency in practical laboratory skills, anatomical knowledge, and an understanding of fundamental zoological principles.

in recognition of successful completion of the B.Sc. Part II Zoology laboratory course

Date - 06/02/2023

This course provided hands-on experience in various aspects of zoology, including:

- **Animal Diversity:** Identification and classification of diverse animal groups through museum specimens and microscopic slides.
- **Animal Anatomy:** Dissection and analysis of internal organ systems in representative invertebrates.
- **Laboratory Techniques:** Preparation of permanent slides, microbial culture preparation, and basic biochemical tests.
- **Physiology and Biochemistry:** Understanding fundamental processes like enzyme activity, blood cell analysis, and biomolecule identification.
- **Microbiology and Immunology:** Study of microorganisms, food spoilage, and basic immunological concepts.

Vandana Saini has demonstrated proficiency in practical laboratory skills, anatomical knowledge, and an understanding of fundamental zoological principles.

Signature of Instructor

PROF. RAKESH KUMAR JANGIR

ASSISTANT PROFESSOR

SETH GYANIRAM BANSIDHAR PODAR COLLEGE

Recognition of college under Section 2(f)/12(B), UGC Act, 1956
Affiliated to Pandit Deendayal Upadhyaya Shekhawati University, Sikar

CERTIFICATE OF EXPERIENTIAL LEARNING DEPARTMENT OF ZOOLOGY

This certificate is awarded to

Student Name - Vinay Kumar

in recognition of successful completion of the B.Sc. Part II Zoology laboratory course
