

Recognition of college under Section 2(f)/12(B), UGC Act, 1956 Affiliated to Pandit Deendayal Upadhyaya Shekhawati University, Sikar

CERTIFICATE OF EXPERIENTIAL LEARNING DEPARTMENT OF PHYSICS

This certificate is awarded to

Student Name - <u>Aaditya Mahich</u>
in recognition of successful completion of the B.Sc. Part III Physics laboratory course

Date - 17/02/2023

This program provided a comprehensive foundation in various scientific disciplines, including:

- Theoretical knowledge and practical skills: Applying scientific principles to solve problems, conduct experiments, and interpret data.
- Laboratory proficiency: Utilizing diverse instruments, equipment, and techniques across different scientific fields.
- Critical thinking and problem-solving: Developing analytical abilities to draw valid conclusions and engage in critical thinking.
- **Scientific communication:** Effectively communicating findings and knowledge through written reports, presentations, and laboratory notebooks.
- **Real-world applications:** Recognizing the relevance of scientific concepts in various scenarios and promoting responsible scientific practices.

<u>Additya Mahich</u> has demonstrated a commitment to academic excellence and a strong foundation for a successful career in science.

Signature of Instructor

DR. B.S RATHORE

HEAD OF DEPARTMENT

Recognition of college under Section 2(f)/12(B), UGC Act, 1956 Affiliated to Pandit Deendaval Upadhyava Shekhawati University, Sikar

CERTIFICATE OF EXPERIENTIAL LEARNING DEPARTMENT OF PHYSICS

This certificate is awarded to Student Name - Abdul Jabbar in recognition of successful completion of the B.Sc. Part III Physics laboratory course Date - 17/02/2023

This program provided a comprehensive foundation in various scientific disciplines, including:

- Theoretical knowledge and practical skills: Applying scientific principles to solve problems, conduct experiments, and interpret data.
- Laboratory proficiency: Utilizing diverse instruments, equipment, and techniques across different scientific fields.
- Critical thinking and problem-solving: Developing analytical abilities to draw valid conclusions and engage in critical thinking.
- Scientific communication: Effectively communicating findings and knowledge through written reports, presentations, and laboratory notebooks.
- **Real-world applications:** Recognizing the relevance of scientific concepts in various scenarios and promoting responsible scientific practices.

Abdul Jabbar has demonstrated a commitment to academic excellence and a strong foundation for a successful career in science.

Signature of Instructor

DR. B.S RATHORE

ASSISTANT PROFESSOR

Recognition of college under Section 2(f)/12(B), UGC Act, 1956 Affiliated to Pandit Deendayal Upadhyaya Shekhawati University, Sikar

CERTIFICATE OF EXPERIENTIAL LEARNING DEPARTMENT OF PHYSICS

This certificate is awarded to
Student Name - <u>Abhisek Kumar Sunda</u>
in recognition of successful completion of the B.Sc. Part III Physics laboratory course
Date - <u>17/02/2023</u>

This program provided a comprehensive foundation in various scientific disciplines, including:

- Theoretical knowledge and practical skills: Applying scientific principles to solve problems, conduct experiments, and interpret data.
- **Laboratory proficiency:** Utilizing diverse instruments, equipment, and techniques across different scientific fields.
- Critical thinking and problem-solving: Developing analytical abilities to draw valid conclusions and engage in critical thinking.
- **Scientific communication:** Effectively communicating findings and knowledge through written reports, presentations, and laboratory notebooks.
- **Real-world applications:** Recognizing the relevance of scientific concepts in various scenarios and promoting responsible scientific practices.

<u>Abhisek Kumar Sunda</u> has demonstrated a commitment to academic excellence and a strong foundation for a successful career in science.

Signature of Instructor

DR. B.S RATHORE

ASSISTANT PROFESSOR

Recognition of college under Section 2(f)/12(B), UGC Act, 1956 Affiliated to Pandit Deendayal Upadhyaya Shekhawati University, Sikar

CERTIFICATE OF EXPERIENTIAL LEARNING DEPARTMENT OF PHYSICS

This certificate is awarded to Student Name - <u>Abhishek</u> in recognition of successful completion of the B.Sc. Part III Physics laboratory course Date - <u>17/02/2023</u>

This program provided a comprehensive foundation in various scientific disciplines, including:

- Theoretical knowledge and practical skills: Applying scientific principles to solve problems, conduct experiments, and interpret data.
- Laboratory proficiency: Utilizing diverse instruments, equipment, and techniques across different scientific fields.
- Critical thinking and problem-solving: Developing analytical abilities to draw valid conclusions and engage in critical thinking.
- **Scientific communication:** Effectively communicating findings and knowledge through written reports, presentations, and laboratory notebooks.
- **Real-world applications:** Recognizing the relevance of scientific concepts in various scenarios and promoting responsible scientific practices.

<u>Abhishek</u> has demonstrated a commitment to academic excellence and a strong foundation for a successful career in science.

Signature of Instructor

ASSISTANT PROFESSOR

Recognition of college under Section 2(f)/12(B), UGC Act, 1956 Affiliated to Pandit Deendayal Upadhyaya Shekhawati University, Sikar

CERTIFICATE OF EXPERIENTIAL LEARNING DEPARTMENT OF PHYSICS

This certificate is awarded to
Student Name - <u>Adhiraj Singh</u>
in recognition of successful completion of the B.Sc. Part III Physics laboratory course
Date - <u>17/02/2023</u>

This program provided a comprehensive foundation in various scientific disciplines, including:

- Theoretical knowledge and practical skills: Applying scientific principles to solve problems, conduct experiments, and interpret data.
- Laboratory proficiency: Utilizing diverse instruments, equipment, and techniques across different scientific fields.
- Critical thinking and problem-solving: Developing analytical abilities to draw valid conclusions and engage in critical thinking.
- **Scientific communication:** Effectively communicating findings and knowledge through written reports, presentations, and laboratory notebooks.
- **Real-world applications:** Recognizing the relevance of scientific concepts in various scenarios and promoting responsible scientific practices.

<u>Adhiraj Singh</u> has demonstrated a commitment to academic excellence and a strong foundation for a successful career in science.

Signature of Instructor

CERTIFICATE OF EXPERIENTIAL LEARNING DEPARTMENT OF PHYSICS

This certificate is awarded to

Student Name - <u>Aditya Narayan Tiwari</u>
in recognition of successful completion of the B.Sc. Part III Physics laboratory course

Date - <u>17/02/2023</u>

This program provided a comprehensive foundation in various scientific disciplines, including:

- Theoretical knowledge and practical skills: Applying scientific principles to solve problems, conduct experiments, and interpret data.
- Laboratory proficiency: Utilizing diverse instruments, equipment, and techniques across different scientific fields.
- Critical thinking and problem-solving: Developing analytical abilities to draw valid conclusions and engage in critical thinking.
- **Scientific communication:** Effectively communicating findings and knowledge through written reports, presentations, and laboratory notebooks.
- **Real-world applications:** Recognizing the relevance of scientific concepts in various scenarios and promoting responsible scientific practices.

<u>Aditya Narayan Tiwari</u> has demonstrated a commitment to academic excellence and a strong foundation for a successful career in science.

CERTIFICATE OF EXPERIENTIAL LEARNING DEPARTMENT OF PHYSICS

This certificate is awarded to Student Name - <u>Hiba Qureshi</u> in recognition of successful completion of the B.Sc. Part III Physics laboratory course Date - <u>17/02/2023</u>

This program provided a comprehensive foundation in various scientific disciplines, including:

- Theoretical knowledge and practical skills: Applying scientific principles to solve problems, conduct experiments, and interpret data.
- Laboratory proficiency: Utilizing diverse instruments, equipment, and techniques across different scientific fields.
- Critical thinking and problem-solving: Developing analytical abilities to draw valid conclusions and engage in critical thinking.
- **Scientific communication:** Effectively communicating findings and knowledge through written reports, presentations, and laboratory notebooks.
- **Real-world applications:** Recognizing the relevance of scientific concepts in various scenarios and promoting responsible scientific practices.

<u>Hiba Qureshi</u> has demonstrated a commitment to academic excellence and a strong foundation for a successful career in science.

Signature of Instructor

DR. B.S RATHORE

ASSISTANT PROFESSOR

Recognition of college under Section 2(f)/12(B), UGC Act, 1956 Affiliated to Pandit Deendayal Upadhyaya Shekhawati University, Sikar

CERTIFICATE OF EXPERIENTIAL LEARNING DEPARTMENT OF PHYSICS

This certificate is awarded to
Student Name - <u>Himanee Jangir</u>
in recognition of successful completion of the B.Sc. Part III Physics laboratory course
Date - <u>17/02/2023</u>

This program provided a comprehensive foundation in various scientific disciplines, including:

- Theoretical knowledge and practical skills: Applying scientific principles to solve problems, conduct experiments, and interpret data.
- Laboratory proficiency: Utilizing diverse instruments, equipment, and techniques across different scientific fields.
- Critical thinking and problem-solving: Developing analytical abilities to draw valid conclusions and engage in critical thinking.
- **Scientific communication:** Effectively communicating findings and knowledge through written reports, presentations, and laboratory notebooks.
- **Real-world applications:** Recognizing the relevance of scientific concepts in various scenarios and promoting responsible scientific practices.

<u>Himanee Jangir</u> has demonstrated a commitment to academic excellence and a strong foundation for a successful career in science.

Signature of Instructor

DR. B.S RATHORE

ASSISTANT PROFESSOR

Recognition of college under Section 2(f)/12(B), UGC Act, 1956 Affiliated to Pandit Deendayal Upadhyaya Shekhawati University, Sikar

CERTIFICATE OF EXPERIENTIAL LEARNING DEPARTMENT OF PHYSICS

This certificate is awarded to
Student Name - <u>Omendra Kumar Jangir</u>
in recognition of successful completion of the B.Sc. Part III Physics laboratory course
Date - <u>17/02/2023</u>

This program provided a comprehensive foundation in various scientific disciplines, including:

- Theoretical knowledge and practical skills: Applying scientific principles to solve problems, conduct experiments, and interpret data.
- Laboratory proficiency: Utilizing diverse instruments, equipment, and techniques across different scientific fields.
- Critical thinking and problem-solving: Developing analytical abilities to draw valid conclusions and engage in critical thinking.
- **Scientific communication:** Effectively communicating findings and knowledge through written reports, presentations, and laboratory notebooks.
- **Real-world applications:** Recognizing the relevance of scientific concepts in various scenarios and promoting responsible scientific practices.

<u>Omendra Kumar Jangir</u> has demonstrated a commitment to academic excellence and a strong foundation for a successful career in science.

Signature of Instructor

DR. B.S RATHORE

ASSISTANT PROFESSOR

Recognition of college under Section 2(f)/12(B), UGC Act, 1956 Affiliated to Pandit Deendayal Upadhyaya Shekhawati University, Sikar

CERTIFICATE OF EXPERIENTIAL LEARNING DEPARTMENT OF PHYSICS

This certificate is awarded to
Student Name - <u>Pankaj Joya</u>
in recognition of successful completion of the B.Sc. Part III Physics laboratory course
Date - <u>17/02/2023</u>

This program provided a comprehensive foundation in various scientific disciplines, including:

- Theoretical knowledge and practical skills: Applying scientific principles to solve problems, conduct experiments, and interpret data.
- **Laboratory proficiency:** Utilizing diverse instruments, equipment, and techniques across different scientific fields.
- Critical thinking and problem-solving: Developing analytical abilities to draw valid conclusions and engage in critical thinking.
- **Scientific communication:** Effectively communicating findings and knowledge through written reports, presentations, and laboratory notebooks.
- **Real-world applications:** Recognizing the relevance of scientific concepts in various scenarios and promoting responsible scientific practices.

<u>Pankaj Joya</u> has demonstrated a commitment to academic excellence and a strong foundation for a successful career in science.

Signature of Instructor

DR. B.S RATHORE

ASSISTANT PROFESSOR

Recognition of college under Section 2(f)/12(B), UGC Act, 1956 Affiliated to Pandit Deendayal Upadhyaya Shekhawati University, Sikar

CERTIFICATE OF EXPERIENTIAL LEARNING DEPARTMENT OF PHYSICS

This certificate is awarded to
Student Name - <u>Pankaj Kumar Panwar</u>
in recognition of successful completion of the B.Sc. Part III Physics laboratory course
Date - <u>17/02/2023</u>

This program provided a comprehensive foundation in various scientific disciplines, including:

- Theoretical knowledge and practical skills: Applying scientific principles to solve problems, conduct experiments, and interpret data.
- Laboratory proficiency: Utilizing diverse instruments, equipment, and techniques across different scientific fields.
- Critical thinking and problem-solving: Developing analytical abilities to draw valid conclusions and engage in critical thinking.
- **Scientific communication:** Effectively communicating findings and knowledge through written reports, presentations, and laboratory notebooks.
- **Real-world applications:** Recognizing the relevance of scientific concepts in various scenarios and promoting responsible scientific practices.

<u>Pankaj Kumar Panwar</u> has demonstrated a commitment to academic excellence and a strong foundation for a successful career in science.

Signature of Instructor

DR. B.S RATHORE

ASSISTANT PROFESSOR

Recognition of college under Section 2(f)/12(B), UGC Act, 1956 Affiliated to Pandit Deendayal Upadhyaya Shekhawati University, Sikar

CERTIFICATE OF EXPERIENTIAL LEARNING DEPARTMENT OF PHYSICS

This certificate is awarded to
Student Name - <u>Pankaj Kumar Saini</u>
in recognition of successful completion of the B.Sc. Part III Physics laboratory course
Date - <u>17/02/2023</u>

This program provided a comprehensive foundation in various scientific disciplines, including:

- Theoretical knowledge and practical skills: Applying scientific principles to solve problems, conduct experiments, and interpret data.
- Laboratory proficiency: Utilizing diverse instruments, equipment, and techniques across different scientific fields.
- Critical thinking and problem-solving: Developing analytical abilities to draw valid conclusions and engage in critical thinking.
- **Scientific communication:** Effectively communicating findings and knowledge through written reports, presentations, and laboratory notebooks.
- **Real-world applications:** Recognizing the relevance of scientific concepts in various scenarios and promoting responsible scientific practices.

<u>Pankaj Kumar Saini</u> has demonstrated a commitment to academic excellence and a strong foundation for a successful career in science.

in recognition of successful completion of the B.Sc. Part III Physics laboratory course
Date - <u>17/02/2023</u>

This program provided a comprehensive foundation in various scientific disciplines, including:

- Theoretical knowledge and practical skills: Applying scientific principles to solve problems, conduct experiments, and interpret data.
- Laboratory proficiency: Utilizing diverse instruments, equipment, and techniques across different scientific fields.
- Critical thinking and problem-solving: Developing analytical abilities to draw valid conclusions and engage in critical thinking.
- **Scientific communication:** Effectively communicating findings and knowledge through written reports, presentations, and laboratory notebooks.
- **Real-world applications:** Recognizing the relevance of scientific concepts in various scenarios and promoting responsible scientific practices.

<u>Vikas Choudhary</u> has demonstrated a commitment to academic excellence and a strong foundation for a successful career in science.

Signature of Instructor

DR. B.S RATHORE

ASSISTANT PROFESSOR

Recognition of college under Section 2(f)/12(B), UGC Act, 1956 Affiliated to Pandit Deendayal Upadhyaya Shekhawati University, Sikar

CERTIFICATE OF EXPERIENTIAL LEARNING DEPARTMENT OF PHYSICS

This certificate is awarded to
Student Name - <u>Vineet Jangir</u>
in recognition of successful completion of the B.Sc. Part III Physics laboratory course
Date - <u>17/02/2023</u>

This program provided a comprehensive foundation in various scientific disciplines, including:

- Theoretical knowledge and practical skills: Applying scientific principles to solve problems, conduct experiments, and interpret data.
- **Laboratory proficiency:** Utilizing diverse instruments, equipment, and techniques across different scientific fields.
- Critical thinking and problem-solving: Developing analytical abilities to draw valid conclusions and engage in critical thinking.
- **Scientific communication:** Effectively communicating findings and knowledge through written reports, presentations, and laboratory notebooks.
- **Real-world applications:** Recognizing the relevance of scientific concepts in various scenarios and promoting responsible scientific practices.

<u>Vineet Jangir</u> has demonstrated a commitment to academic excellence and a strong foundation for a successful career in science.
