CERTIFICATE OF EXPERIENTIAL LEARNING

DEPARTMENT OF PHYSICS

This certificate is awarded to

Student Name - Aakash Saini

in recognition of successful completion of the B.Sc. Part I Physics laboratory course

Date - 31/01/2023

This course covered the following areas of practical Physics

- Make accurate measurements using appropriate scientific instruments.
- Analyze and interpret experimental data to draw meaningful conclusions.
- Apply theoretical knowledge to practical situations.
- Design and calibrate basic scientific instruments.
- Understand and verify fundamental physical principles.

Aakash Saini has demonstrated proficiency in the skills and knowledge outlined above.

Recognition of college under Section 2(f)/12(B), UGC Act, 1956
Affiliated to Pandit Deendayal Upadhyaya Shekhawati University, Sikar

CERTIFICATE OF EXPERIENTIAL LEARNING

DEPARTMENT OF PHYSICS

This certificate is awarded to

Student Name - Ms. Komal Saini

in recognition of successful completion of the B.Sc. Part I Physics laboratory course

Date - 31/01/2023

This course covered the following areas of practical Physics

- Make accurate measurements using appropriate scientific instruments.
- Analyze and interpret experimental data to draw meaningful conclusions.
- Apply theoretical knowledge to practical situations.
- Design and calibrate basic scientific instruments.
- Understand and verify fundamental physical principles.

Ms. Komal Saini has demonstrated proficiency in the skills and knowledge outlined above.

Signature of Instructor

PROF. MANOJ KUMARI

CERTIFICATE OF EXPERIENTIAL LEARNING

DEPARTMENT OF PHYSICS

This certificate is awarded to

Student Name - Ms. Ritika Lakhmara

in recognition of successful completion of the B.Sc. Part I Physics laboratory course

Date - 31/01/2023

This course covered the following areas of practical Physics

- Make accurate measurements using appropriate scientific instruments.
- Analyze and interpret experimental data to draw meaningful conclusions.
- Apply theoretical knowledge to practical situations.
- Design and calibrate basic scientific instruments.
- Understand and verify fundamental physical principles.

Ms. Ritika Lakhmara has demonstrated proficiency in the skills and knowledge outlined above.

Recognition of college under Section 2(f)/12(B), UGC Act, 1956
Affiliated to Pandit Deendayal Upadhyaya Shekhawati University, Sikar

CERTIFICATE OF EXPERIENTIAL LEARNING

DEPARTMENT OF PHYSICS

This certificate is awarded to

Student Name - *Shashikant Poonia*

in recognition of successful completion of the B.Sc. Part I Physics laboratory course

Date - *31/01/2023*

This course covered the following areas of practical Physics

- Make accurate measurements using appropriate scientific instruments.
- Analyze and interpret experimental data to draw meaningful conclusions.
- Apply theoretical knowledge to practical situations.
- Design and calibrate basic scientific instruments.
- Understand and verify fundamental physical principles.

Shashikant Poonia has demonstrated proficiency in the skills and knowledge outlined above.

CERTIFICATE OF EXPERIENTIAL LEARNING

DEPARTMENT OF PHYSICS

This certificate is awarded to

Student Name - Shubham

in recognition of successful completion of the B.Sc. Part I Physics laboratory course

Date - 31/01/2023

This course covered the following areas of practical Physics

- Make accurate measurements using appropriate scientific instruments.
- Analyze and interpret experimental data to draw meaningful conclusions.
- Apply theoretical knowledge to practical situations.
- Design and calibrate basic scientific instruments.
- Understand and verify fundamental physical principles.

Shubham has demonstrated proficiency in the skills and knowledge outlined above.

CERTIFICATE OF EXPERIENTIAL LEARNING

DEPARTMENT OF PHYSICS

This certificate is awarded to

Student Name - Sonam

in recognition of successful completion of the B.Sc. Part I Physics laboratory course

Date - 31/01/2023

This course covered the following areas of practical Physics

- Make accurate measurements using appropriate scientific instruments.
- Analyze and interpret experimental data to draw meaningful conclusions.
- Apply theoretical knowledge to practical situations.
- Design and calibrate basic scientific instruments.
- Understand and verify fundamental physical principles.

Sonam has demonstrated proficiency in the skills and knowledge outlined above.

CERTIFICATE OF EXPERIENTIAL LEARNING

DEPARTMENT OF PHYSICS

This certificate is awarded to

Student Name - Sonu Jangir

in recognition of successful completion of the B.Sc. Part I Physics laboratory course

Date - 31/01/2023

This course covered the following areas of practical Physics

- Make accurate measurements using appropriate scientific instruments.
- Analyze and interpret experimental data to draw meaningful conclusions.
- Apply theoretical knowledge to practical situations.
- Design and calibrate basic scientific instruments.
- Understand and verify fundamental physical principles.

CERTIFICATE OF EXPERIENTIAL LEARNING

DEPARTMENT OF PHYSICS

This certificate is awarded to

Student Name - Sonu Saini

in recognition of successful completion of the B.Sc. Part I Physics laboratory course

Date - 31/01/2023

This course covered the following areas of practical Physics

- Make accurate measurements using appropriate scientific instruments.
- Analyze and interpret experimental data to draw meaningful conclusions.
- Apply theoretical knowledge to practical situations.
- Design and calibrate basic scientific instruments.
- Understand and verify fundamental physical principles.

Sonu Saini has demonstrated proficiency in the skills and knowledge outlined above.
