

SETH GYANIRAM BANSIDHAR PODAR COLLEGE

Recognition of college under Section 2(f)/12(B), UGC Act, 1956
Affiliated to Pandit Deendayal Upadhyaya Shekhawati University, Sikar

CERTIFICATE OF EXPERIENTIAL LEARNING

DEPARTMENT OF ZOOLOGY

This certificate is awarded to

Student Name = **Anamika**

in recognition of successful completion of the M.Sc. (Final) Zoology Laboratory course

Date = 25 Feb, 2024

This course has equipped you with advanced knowledge and practical skills in diverse areas of wildlife ecology, environmental biology, and animal behavior, encompassing:

- Population & Surveys:
 - Assess population densities
 - Collect samples in diverse habitats
 - Identify wildlife species
- Animal Studies:
 - Analyze small mammal populations
 - Survey insect fauna
 - Assess parasite load in herbivores
 - Investigate animal behavior

Anamika has consistently demonstrated a strong understanding of theoretical concepts, proficiency in diverse practical skills, and the ability to apply their knowledge to analyze and interpret complex data in the fields of wildlife ecology, environmental biology, and animal behavior.

Signature of Instructor

Dr. Daulal Bohra

Head of Department

SETH GYANIRAM BANSIDHAR PODAR COLLEGE

Recognition of college under Section 2(f)/12(B), UGC Act, 1956
Affiliated to Pandit Deendayal Upadhyaya Shekhawati University, Sikar

CERTIFICATE OF EXPERIENTIAL LEARNING

DEPARTMENT OF ZOOLOGY

This certificate is awarded to

Student Name = Ankit Godara

in recognition of successful completion of the M.Sc. (Final) Zoology Laboratory course

Date = 25 Feb, 2024

This course has equipped you with advanced knowledge and practical skills in diverse areas of wildlife ecology, environmental biology, and animal behavior, encompassing:

- **Population & Surveys:**
- Assess population densities
- Collect samples in diverse habitats
- Identify wildlife species
- **Animal Studies:**
- Analyze small mammal populations
- Survey insect fauna
- Assess parasite load in herbivores
- Investigate animal behavior

Ankit Godara has consistently demonstrated a strong understanding of theoretical concepts, proficiency in diverse practical skills, and the ability to apply their knowledge to analyze and interpret complex data in the fields of wildlife ecology, environmental biology, and animal behavior.

Signature of Instructor

CERTIFICATE OF EXPERIENTIAL LEARNING

DEPARTMENT OF ZOOLOGY

This certificate is awarded to

Student Name = Ankita Kumari

in recognition of successful completion of the M.Sc. (Final) Zoology Laboratory course

Date = 25 Feb, 2024

This course has equipped you with advanced knowledge and practical skills in diverse areas of wildlife ecology, environmental biology, and animal behavior, encompassing:

- **Population & Surveys:**
- Assess population densities
- Collect samples in diverse habitats
- Identify wildlife species
- **Animal Studies:**
- Analyze small mammal populations
- Survey insect fauna
- Assess parasite load in herbivores
- Investigate animal behavior

Ankita Kumari has consistently demonstrated a strong understanding of theoretical concepts, proficiency in diverse practical skills, and the ability to apply their knowledge to analyze and interpret complex data in the fields of wildlife ecology, environmental biology, and animal behavior.

Signature of Instructor

CERTIFICATE OF EXPERIENTIAL LEARNING

DEPARTMENT OF ZOOLOGY

This certificate is awarded to

Student Name = Deepak Kumar

in recognition of successful completion of the M.Sc. (Final) Zoology Laboratory course

Date = 25 Feb, 2024

This course has equipped you with advanced knowledge and practical skills in diverse areas of wildlife ecology, environmental biology, and animal behavior, encompassing:

- **Population & Surveys:**
- Assess population densities
- Collect samples in diverse habitats
- Identify wildlife species
- **Animal Studies:**
- Analyze small mammal populations
- Survey insect fauna
- Assess parasite load in herbivores
- Investigate animal behavior

Deepak Kumar has consistently demonstrated a strong understanding of theoretical concepts, proficiency in diverse practical skills, and the ability to apply their knowledge to analyze and interpret complex data in the fields of wildlife ecology, environmental biology, and animal behavior.

CERTIFICATE OF EXPERIENTIAL LEARNING

DEPARTMENT OF ZOOLOGY

This certificate is awarded to

Student Name = Diksha Kumari

in recognition of successful completion of the M.Sc. (Final) Zoology Laboratory course

Date = 25 Feb, 2024

This course has equipped you with advanced knowledge and practical skills in diverse areas of wildlife ecology, environmental biology, and animal behavior, encompassing:

- **Population & Surveys:**
- Assess population densities
- Collect samples in diverse habitats
- Identify wildlife species
- **Animal Studies:**
- Analyze small mammal populations
- Survey insect fauna
- Assess parasite load in herbivores
- Investigate animal behavior

Diksha Kumari has consistently demonstrated a strong understanding of theoretical concepts, proficiency in diverse practical skills, and the ability to apply their knowledge to analyze and interpret complex data in the fields of wildlife ecology, environmental biology, and animal behavior.

CERTIFICATE OF EXPERIENTIAL LEARNING

DEPARTMENT OF ZOOLOGY

This certificate is awarded to

Student Name = **Khushboo**

in recognition of successful completion of the M.Sc. (Final) Zoology Laboratory course

Date = 25 Feb, 2024

This course has equipped you with advanced knowledge and practical skills in diverse areas of wildlife ecology, environmental biology, and animal behavior, encompassing:

- Population & Surveys:
 - Assess population densities
 - Collect samples in diverse habitats
 - Identify wildlife species
- Animal Studies:
 - Analyze small mammal populations
 - Survey insect fauna
 - Assess parasite load in herbivores
 - Investigate animal behavior

Khushboo has consistently demonstrated a strong understanding of theoretical concepts, proficiency in diverse practical skills, and the ability to apply their knowledge to analyze and interpret complex data in the fields of wildlife ecology, environmental biology, and animal behavior.

CERTIFICATE OF EXPERIENTIAL LEARNING

DEPARTMENT OF ZOOLOGY

This certificate is awarded to

Student Name = Kuldeep Singh

in recognition of successful completion of the M.Sc. (Final) Zoology Laboratory course

Date = 25 Feb, 2024

This course has equipped you with advanced knowledge and practical skills in diverse areas of wildlife ecology, environmental biology, and animal behavior, encompassing:

- **Population & Surveys:**
- Assess population densities
- Collect samples in diverse habitats
- Identify wildlife species
- **Animal Studies:**
- Analyze small mammal populations
- Survey insect fauna
- Assess parasite load in herbivores
- Investigate animal behavior

Kuldeep Singh has consistently demonstrated a strong understanding of theoretical concepts, proficiency in diverse practical skills, and the ability to apply their knowledge to analyze and interpret complex data in the fields of wildlife ecology, environmental biology, and animal behavior.

CERTIFICATE OF EXPERIENTIAL LEARNING

DEPARTMENT OF ZOOLOGY

This certificate is awarded to

Student Name = Latika Khator

in recognition of successful completion of the M.Sc. (Final) Zoology Laboratory course

Date = 25 Feb, 2024

This course has equipped you with advanced knowledge and practical skills in diverse areas of wildlife ecology, environmental biology, and animal behavior, encompassing:

- **Population & Surveys:**
- Assess population densities
- Collect samples in diverse habitats
- Identify wildlife species
- **Animal Studies:**
- Analyze small mammal populations
- Survey insect fauna
- Assess parasite load in herbivores
- Investigate animal behavior

Latika Khator has consistently demonstrated a strong understanding of theoretical concepts, proficiency in diverse practical skills, and the ability to apply their knowledge to analyze and interpret complex data in the fields of wildlife ecology, environmental biology, and animal behavior.

Signature of Instructor

CERTIFICATE OF EXPERIENTIAL LEARNING

DEPARTMENT OF ZOOLOGY

This certificate is awarded to

Student Name = Monika Kumari

in recognition of successful completion of the M.Sc. (Final) Zoology Laboratory course

Date = 25 Feb, 2024

This course has equipped you with advanced knowledge and practical skills in diverse areas of wildlife ecology, environmental biology, and animal behavior, encompassing:

- **Population & Surveys:**
- **Assess population densities**
- **Collect samples in diverse habitats**
- **Identify wildlife species**
- **Animal Studies:**
- **Analyze small mammal populations**
- **Survey insect fauna**
- **Assess parasite load in herbivores**
- **Investigate animal behavior**

Monika Kumari has consistently demonstrated a strong understanding of theoretical concepts, proficiency in diverse practical skills, and the ability to apply their knowledge to analyze and interpret complex data in the fields of wildlife ecology, environmental biology, and animal behavior.

CERTIFICATE OF EXPERIENTIAL LEARNING

DEPARTMENT OF ZOOLOGY

This certificate is awarded to

Student Name = Ms Nisha Kharinta

in recognition of successful completion of the M.Sc. (Final) Zoology Laboratory course

Date = 25 Feb, 2024

This course has equipped you with advanced knowledge and practical skills in diverse areas of wildlife ecology, environmental biology, and animal behavior, encompassing:

- **Population & Surveys:**
- Assess population densities
- Collect samples in diverse habitats
- Identify wildlife species
- **Animal Studies:**
- Analyze small mammal populations
- Survey insect fauna
- Assess parasite load in herbivores
- Investigate animal behavior

Ms Nisha Kharinta has consistently demonstrated a strong understanding of theoretical concepts, proficiency in diverse practical skills, and the ability to apply their knowledge to analyze and interpret complex data in the fields of wildlife ecology, environmental biology, and animal behavior.

Signature of Instructor

CERTIFICATE OF EXPERIENTIAL LEARNING

DEPARTMENT OF ZOOLOGY

This certificate is awarded to

Student Name = Ms.Meena Kumari Kumawat

in recognition of successful completion of the M.Sc. (Final) Zoology Laboratory course

Date = 25 Feb, 2024

This course has equipped you with advanced knowledge and practical skills in diverse areas of wildlife ecology, environmental biology, and animal behavior, encompassing:

- **Population & Surveys:**
- Assess population densities
- Collect samples in diverse habitats
- Identify wildlife species
- **Animal Studies:**
- Analyze small mammal populations
- Survey insect fauna
- Assess parasite load in herbivores
- Investigate animal behavior

Ms.Meena Kumari Kumawat has consistently demonstrated a strong understanding of theoretical concepts, proficiency in diverse practical skills, and the ability to apply their knowledge to analyze and interpret complex data in the fields of wildlife ecology, environmental biology, and animal behavior.

CERTIFICATE OF EXPERIENTIAL LEARNING

DEPARTMENT OF ZOOLOGY

This certificate is awarded to

Student Name = Ms.Yogita Kumawat

in recognition of successful completion of the M.Sc. (Final) Zoology Laboratory course

Date = 25 Feb, 2024

This course has equipped you with advanced knowledge and practical skills in diverse areas of wildlife ecology, environmental biology, and animal behavior, encompassing:

- **Population & Surveys:**
- Assess population densities
- Collect samples in diverse habitats
- Identify wildlife species
- **Animal Studies:**
- Analyze small mammal populations
- Survey insect fauna
- Assess parasite load in herbivores
- Investigate animal behavior

Ms.Yogita Kumawat has consistently demonstrated a strong understanding of theoretical concepts, proficiency in diverse practical skills, and the ability to apply their knowledge to analyze and interpret complex data in the fields of wildlife ecology, environmental biology, and animal behavior.

CERTIFICATE OF EXPERIENTIAL LEARNING

DEPARTMENT OF ZOOLOGY

This certificate is awarded to

Student Name = Neha Godara

in recognition of successful completion of the M.Sc. (Final) Zoology Laboratory course

Date = 25 Feb, 2024

This course has equipped you with advanced knowledge and practical skills in diverse areas of wildlife ecology, environmental biology, and animal behavior, encompassing:

- **Population & Surveys:**
- Assess population densities
- Collect samples in diverse habitats
- Identify wildlife species
- **Animal Studies:**
- Analyze small mammal populations
- Survey insect fauna
- Assess parasite load in herbivores
- Investigate animal behavior

Neha Godara has consistently demonstrated a strong understanding of theoretical concepts, proficiency in diverse practical skills, and the ability to apply their knowledge to analyze and interpret complex data in the fields of wildlife ecology, environmental biology, and animal behavior.

CERTIFICATE OF EXPERIENTIAL LEARNING

DEPARTMENT OF ZOOLOGY

This certificate is awarded to

Student Name = Nikita Gothwal

in recognition of successful completion of the M.Sc. (Final) Zoology Laboratory course

Date = 25 Feb, 2024

This course has equipped you with advanced knowledge and practical skills in diverse areas of wildlife ecology, environmental biology, and animal behavior, encompassing:

- **Population & Surveys:**
- **Assess population densities**
- **Collect samples in diverse habitats**
- **Identify wildlife species**
- **Animal Studies:**
- **Analyze small mammal populations**
- **Survey insect fauna**
- **Assess parasite load in herbivores**
- **Investigate animal behavior**

Nikita Gothwal has consistently demonstrated a strong understanding of theoretical concepts, proficiency in diverse practical skills, and the ability to apply their knowledge to analyze and interpret complex data in the fields of wildlife ecology, environmental biology, and animal behavior.

CERTIFICATE OF EXPERIENTIAL LEARNING

DEPARTMENT OF ZOOLOGY

This certificate is awarded to

Student Name = Ritika Kumari

in recognition of successful completion of the M.Sc. (Final) Zoology Laboratory course

Date = 25 Feb, 2024

This course has equipped you with advanced knowledge and practical skills in diverse areas of wildlife ecology, environmental biology, and animal behavior, encompassing:

- **Population & Surveys:**
- Assess population densities
- Collect samples in diverse habitats
- Identify wildlife species
- **Animal Studies:**
- Analyze small mammal populations
- Survey insect fauna
- Assess parasite load in herbivores
- Investigate animal behavior

Ritika Kumari has consistently demonstrated a strong understanding of theoretical concepts, proficiency in diverse practical skills, and the ability to apply their knowledge to analyze and interpret complex data in the fields of wildlife ecology, environmental biology, and animal behavior.

CERTIFICATE OF EXPERIENTIAL LEARNING

DEPARTMENT OF ZOOLOGY

This certificate is awarded to

Student Name = Ritika Saini

in recognition of successful completion of the M.Sc. (Final) Zoology Laboratory course

Date = 25 Feb, 2024

This course has equipped you with advanced knowledge and practical skills in diverse areas of wildlife ecology, environmental biology, and animal behavior, encompassing:

- **Population & Surveys:**
- Assess population densities
- Collect samples in diverse habitats
- Identify wildlife species
- **Animal Studies:**
- Analyze small mammal populations
- Survey insect fauna
- Assess parasite load in herbivores
- Investigate animal behavior

Ritika Saini has consistently demonstrated a strong understanding of theoretical concepts, proficiency in diverse practical skills, and the ability to apply their knowledge to analyze and interpret complex data in the fields of wildlife ecology, environmental biology, and animal behavior.

CERTIFICATE OF EXPERIENTIAL LEARNING

DEPARTMENT OF ZOOLOGY

This certificate is awarded to

Student Name = Sourabh Jangir

in recognition of successful completion of the M.Sc. (Final) Zoology Laboratory course

Date = 25 Feb, 2024

This course has equipped you with advanced knowledge and practical skills in diverse areas of wildlife ecology, environmental biology, and animal behavior, encompassing:

- **Population & Surveys:**
- Assess population densities
- Collect samples in diverse habitats
- Identify wildlife species
- **Animal Studies:**
- Analyze small mammal populations
- Survey insect fauna
- Assess parasite load in herbivores
- Investigate animal behavior

Sourabh Jangir has consistently demonstrated a strong understanding of theoretical concepts, proficiency in diverse practical skills, and the ability to apply their knowledge to analyze and interpret complex data in the fields of wildlife ecology, environmental biology, and animal behavior.

CERTIFICATE OF EXPERIENTIAL LEARNING

DEPARTMENT OF ZOOLOGY

This certificate is awarded to

Student Name = Tejpal Jagrat

in recognition of successful completion of the M.Sc. (Final) Zoology Laboratory course

Date = 25 Feb, 2024

This course has equipped you with advanced knowledge and practical skills in diverse areas of wildlife ecology, environmental biology, and animal behavior, encompassing:

- **Population & Surveys:**
- Assess population densities
- Collect samples in diverse habitats
- Identify wildlife species
- **Animal Studies:**
- Analyze small mammal populations
- Survey insect fauna
- Assess parasite load in herbivores
- Investigate animal behavior

Tejpal Jagrat has consistently demonstrated a strong understanding of theoretical concepts, proficiency in diverse practical skills, and the ability to apply their knowledge to analyze and interpret complex data in the fields of wildlife ecology, environmental biology, and animal behavior.

CERTIFICATE OF EXPERIENTIAL LEARNING

DEPARTMENT OF ZOOLOGY

This certificate is awarded to

Student Name = Vikash Kumar Dev

in recognition of successful completion of the M.Sc. (Final) Zoology Laboratory course

Date = 25 Feb, 2024

This course has equipped you with advanced knowledge and practical skills in diverse areas of wildlife ecology, environmental biology, and animal behavior, encompassing:

- **Population & Surveys:**
- Assess population densities
- Collect samples in diverse habitats
- Identify wildlife species
- **Animal Studies:**
- Analyze small mammal populations
- Survey insect fauna
- Assess parasite load in herbivores
- Investigate animal behavior

Vikash Kumar Dev has consistently demonstrated a strong understanding of theoretical concepts, proficiency in diverse practical skills, and the ability to apply their knowledge to analyze and interpret complex data in the fields of wildlife ecology, environmental biology, and animal behavior.
