Proposal for Summer Crash Course in Chemistry

Date 3/5/2024

To:
Respected Executive Director,
The Anandilal Podar Trust,
Nawalgarh

From: Faculty Members,
Chemistry Department,
Seth Gyaniram Bansidhar Podar College

Subject: Proposal for Summer Program (The Chemistry Edge: Mastering Concepts and Techniques for M.Sc. Success) to Promote M.Sc. Chemistry Admissions.

Introduction

The faculty members of the Chemistry Department at Seth Gyaniram Bansidhar Podar College propose a summer program designed to benefit students who have recently passed or appeared for their BSc III examination. This program aims to achieve the following objectives:

- Equip students with the necessary knowledge and skills to succeed in the National Eligibility Test (NET) exam.
- Provide practical laboratory training to enhance their research capabilities.
- Increase interest and admissions in the MSc Chemistry program at our college.

Program Details

The program will be a comprehensive summer crash course offered free of charge. However, a registration fee of **Rs.5,000** will be collected from each participant. This fee will be adjusted towards their tuition fees upon successful enrollment in the M.Sc. Chemistry program for the 2024-25 session.

This program can be started from 15th May 2024 which will run till 15th June 2024.

Course Structure:

- **NET Preparation:** This intensive course will cover the core concepts of the NET exam syllabus, providing students with a strong foundation for success.
- **Laboratory Training:** The program will include a series of hands-on laboratory sessions designed to sharpen students' practical skills and research aptitude.

Assessment and Incentives:

Rambilas Podar Road, Nawalgarh Dist: Jhunjhunu – 333042

Website: www.podarcollege.com E-Mail: principal@podarcollege.com

Phone No: 01594- 222030, 225892 Fax No: 01594-223198

Rambilas Podar Road, Nawalgarh Dist: Jhunjhunu – 333042

Website: www.podarcollege.com E-Mail: principal@podarcollege.com

Phone No: 01594- 222030, 225892 Fax No: 01594-223198

SETH GYANIRAM BANSIDHAR PODAR COLLEGE

*Accredited with Grade 'A' (3.04 CGPA) by NAAC-UGC
Recognition of college under Section 2(f)/12(B), UGC Act, 1956
Affiliated to Pandit Deendayal Upadhyaya Shekhawati University, Sikar*

SETH GYANIRAM BANSIDHAR PODAR COLLEGE

*Accredited with Grade 'A' (3.04 CGPA) by NAAC-UGC
Recognition of college under Section 2(f)/12(B), UGC Act, 1956
Affiliated to Pandit Deendayal Upadhyaya Shekhawati University, Sikar*

- To evaluate the effectiveness of the program and incentivize focused learning, four tests will be conducted throughout the course, covering the curriculum of both components (NET preparation and laboratory training).
- Students who score an overall of at least **80%** marks in these tests will be eligible for a scholarship of **Rs.15,000**, which will be deducted from their tuition fees for the M.Sc. Chemistry program (2024-25 session).

Benefits:

- This program aligns with the trust's mission of promoting academic excellence by providing valuable support to aspiring students.
- By equipping students with NET preparation and laboratory skills, the program will attract high-caliber candidates to the M.Sc. Chemistry program, strengthening the overall academic quality of the college.
- The free nature of the program, with a refundable registration fee, will attract a wider pool of students, fostering inclusivity and promoting access to higher education.

Conclusion

We believe that this summer program will be a valuable initiative for both the Anandilal Podar Trust and Seth Gyaniram Bansidhar Podar College. By empowering students with essential knowledge and skills while promoting the M.Sc. Chemistry program, we can contribute significantly to the academic development of future generations.

We, the faculty members of the Chemistry Department, are confident in our ability to deliver this program effectively. We are available to discuss this proposal further and answer any questions you may have.

Thank you for your time and consideration.

Sincerely,

Faculty Members, Chemistry Department

NOTICE

Department of Chemistry, Seth Gyaniram Bansidhar Podar College

Counselling Session for BSc Chemistry (Pass/Appear) Students

Date: May 8th, 2024

Time: 10:00 AM

Venue: Department of Chemistry, Seth Gyaniram Bansidhar Podar College, Nawalgarh

Attention all BSc Chemistry (Pass/Appear) Students of 2024:

The Department of Chemistry is pleased to invite you to a special counselling session on **May 8th, 2024, at 10:00 AM**. This session is designed to provide you with valuable information about the exciting **Summer Crash Course in Chemistry with Foundation Course and Laboratory Training**.

During this session, you will learn about:

- The comprehensive curriculum of the crash course, covering a strong foundation in core chemistry concepts and practical laboratory training.
- The significant benefits of participating in the program, including:
 - Building a strong foundation in Chemistry fundamentals.
 - Development of essential research skills.
 - Improved preparation for higher-level Chemistry studies.
- The attractive scholarship opportunities available for meritorious students.

This counselling session is an excellent opportunity to clarify any doubts you may have about the program and explore how it can benefit your future academic journey in Chemistry.

We highly encourage all interested students to attend this informative session.

For further inquiries, please contact:

[Department of Chemistry Contact Information]

We look forward to seeing you there!

Assessment Policy for Summer Crash Course in Chemistry

SETH GYANIRAM BANSIDHAR PODAR COLLEGE, NAWALGARH

Assessment Policy: Summer Crash Course in Chemistry with Foundation Course and Laboratory Training

Introduction:

This assessment policy outlines the evaluation process for the Summer Crash Course in Chemistry with Foundation Course and Laboratory Training offered by Seth Gyaniram Bansidhar Podar College, Nawalgarh. The goal is to ensure a fair and comprehensive evaluation of student learning throughout the program, integrating both theoretical knowledge and practical skills.

Eligibility for Assessments:

To be eligible for the final assessments and the scholarship opportunity, students must meet the following criteria:

- **Enrollment and Registration:** Be officially enrolled in the course through proper registration procedures.
- **Registration Fee:** Pay the registration fee of Rs. 5,000.
- **Attendance:** Maintain a minimum attendance of 80% in both theory classes and laboratory sessions.

Assessment Components:

The course will consist of four (4) assessments:

- **Four (4) Integrated Exams:** These exams will include questions covering both foundational chemistry concepts and principles delivered in lectures and discussions, as well as questions related to laboratory skills and practical applications. They will be objective-type with multiple-choice questions (4 options per question).

Grading Scheme:

- **Integrated Exams (25% each):** Each integrated exam will be worth 25% of the final grade. Negative marking will be applied, with each incorrect answer deducting 1/3 of the weightage for a correct answer. Grading will consider the specific content area (theory or practical) of each question.

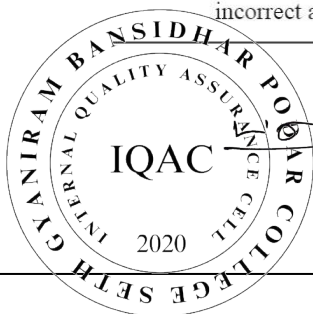

Example:

- A question focused on theoretical knowledge might be worth 3 marks, with a 1 mark deduction for an incorrect answer.
- A question testing a practical skill might also be worth 3 marks, with a 1 mark deduction for an incorrect answer.

Recognition of college under Section 2(f)/12(B), UGC Act, 1956
Affiliated to Pandit Deendayal Upadhyaya Shekhawati University, Sikar*

Negative Marking:

As mentioned above, a penalty of 1/3 weightage will be applied for each incorrect answer, considering the specific content area (theory or practical) of the question.

Dispute Resolution:

The answer keys for all assessments will be considered final. No grievances regarding the correctness of answer choices will be entertained.

Scholarship Eligibility:

Students who achieve an overall score of 80% or higher in the course will be eligible for a scholarship of Rs. 12,000 if they enroll in the M.Sc. Chemistry program at Seth Gyaniram Bansidhar Podar College, Nawalgarh for the 2024-25 academic session.

Important Notes:

- Seth Gyaniram Bansidhar Podar College, Nawalgarh reserves the right to modify this assessment policy at any time with prior notification to the enrolled students.

We encourage all students to actively participate in class discussions, complete all laboratory assignments diligently, and approach the instructors with any questions or clarifications they may have regarding both theory and practical components of the course.

Syllabus of CSIR-UGC National Eligibility Test (NET) for Junior Research Fellowship and Lectureship

Module:-1. Inorganic Chemistry (60 Hrs)

- 1. Chemical periodicity**
Organo metallic compounds :synthesis ,bonding and structure ,and reactivity.
Organometallics in homogeneous catalysis
- 2. Structure and bonding** in homo- and hetero nuclear molecules, including shapes of molecules (VSEPR Theory).
- 3. Concepts of acids and bases**, Hard-Soft acid base concept, Non-aqueous solvents.
- 4. Main group elements** and their compounds :Allotropy, synthesis, structure and bonding, industrial importance of the compounds.
- 5. Transition elements and coordination compounds**: structure,bondingtheories, spectral and magnetic properties, reaction mechanisms

Module: 2. Organic Chemistry (60 Hrs)

IUPAC Nomenclature of organic molecules including regio-and stereo isomers.

Pericyclic reactions – Electrocyclisation, Cycloaddition, Sigmatropic rearrangementsandotherrelatedconcertedreactions.Principlesandapplications of photochemical reactions in organic chemistry

Principles of stereochemistry: Configurational and conformational isomerism in acyclicandcycliccompounds;stereogenicity, stereoselectivity, enantioselectivity, diastereoselectivity and asymmetric induction.

Aromaticity: Benzenoidandnon –benzenoid compounds–generation and reactions.

Organic reactive intermediates: Generation, stability and reactivity of carbocations, carbanions, freeradicals, carbenes, benzynesandnitrenes.

Organic reaction mechanisms involving addition, elimination and substitution reactions with electrophilic, nucleophilic or radical species. Determination of reaction pathways.

Module: 3. Physical Chemistry: (60 Hrs)

- 1. Basic principles of quantum mechanics**: Postulates; operator algebra; exactly- solvable systems: particle-in-a-box, harmonic oscillator and the hydrogen atom, including shapes of atomic orbitals; orbital and spin angular momenta; tunneling.

- Approximate methods of quantum mechanics:** Variational principle; perturbation theory up to second order in energy; applications.
- Atomic structure and spectroscopy:** term symbols; many-electron systems and antisymmetry principle.
- Chemical bonding in diatomics:** elementary concepts of MO and VB theories; Huckel theory for conjugated π -electron systems.

Chemical applications of group theory; symmetry elements; point groups; character tables; selection rules.
- Molecular spectroscopy:** Rotational and vibrational spectra of diatomic molecules; electronic spectra; IR and Raman activities – selection rules; basic principles of magnetic resonance.
- Chemical thermodynamics:** Laws, state and path functions and their applications; thermodynamic description of various types of processes; Maxwell's relations; spontaneity and equilibria; temperature and pressure dependence of thermodynamic quantities; Le Chatelier principle; elementary description of phase transitions; phase equilibria and phase rule; thermodynamics of ideal and non-ideal gases, and solutions.

Statistical thermodynamics: Boltzmann distribution; kinetic theory of gases; partition functions and their relation to thermodynamic quantities – calculations for model systems.
- Electrochemistry:** Nernst equation, redox systems, electrochemical cells; Debye-Huckel theory; electrolytic conductance – Kohlrausch's law and its applications; ionic equilibria; conductometric and potentiometric titrations.
- Chemical kinetics:** Empirical rate laws and temperature dependence; complex reactions; steady state approximation; determination of reaction mechanisms; collision and transition state theories of rate constants; unimolecular reactions; enzyme kinetics; salt effects; homogeneous catalysis; photochemical reactions.
- Colloids and surfaces:** Stability and properties of colloids; isotherms and surface area; heterogeneous catalysis.
- Solid state:** Crystal structures, Bragg's law and applications; band structure of solids.

LABORATORY WORK (PRACTICAL EXPENDITURE)

- Preparation of standard solutions.
(Both primary and secondary solutions)
- Measurements of volume and weights. (Calibration)
- Analysis of inorganic mixtures.
- Identification of organic functional group and compound.
- Operational techniques of some instruments like conductometer, pH meter, calorimeter, spectrophotometer, etc.

Mediums for Success: Summer Crash Course in Chemistry with NET Preparation and Laboratory Training

Category	Mediums	Description
Promotional Strategies	College Website & Social Media	Share clear program details, benefits, eligibility, application process, and deadlines.
	Collaborations	Partner with nearby universities and colleges for cross-promotion.
	Targeted Outreach	Reach final year BSc Chemistry students directly through departments or associations. Organize information sessions or webinars.
	Local Media Coverage	Issue press releases, contact local newspapers/educational magazines.
	Telecalling to Podar College Students	
		- Prepare a clear and concise script highlighting the program's key features and benefits.
		- Target final year BSc Chemistry students using college databases or contact information provided by departments.
		- Invite them to an information session at the college on May 8th, 2024, to learn more about the program in detail.
		- Address any questions or concerns they may have during the call.
		Telecalling to Other Students
		- Utilize databases of past students or leads generated through website inquiries.
		- Tailor the script to emphasize the program's benefits for students outside Podar College, focusing on NET preparation, lab training, and career advancement opportunities.
		- Clearly communicate the open eligibility for the program.
		- Invite them to the information session on May 8th or provide alternative resources for further information.
Course Delivery and Engagement	Experienced Faculty	Ensure qualified instructors deliver NET prep and lab training effectively.
	Interactive Sessions	Utilize discussions, quizzes, group activities to keep students engaged.
	Quality Study Materials	Provide comprehensive study materials like practice questions, mock tests, and lab manuals.
	Guest Lectures	Invite guest speakers from research institutions or industry professionals.
Additional Considerations	Scholarship Promotion	Clearly emphasize scholarship opportunities and eligibility criteria.
	Feedback Mechanism	Implement a system to gather student feedback for program improvement.
	Post-Program Support	Offer continued guidance and support to transitioning M.Sc. program students.

Career Guidance Seminar at Podar College Empowers Students for Future Opportunities

Introduction

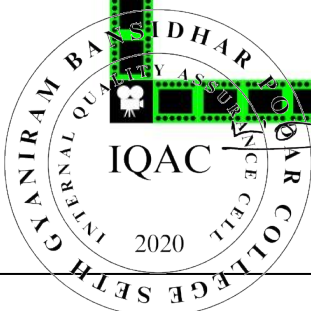

In today's rapidly evolving job market, staying ahead of emerging trends and acquiring relevant skills is crucial for success. To help students navigate the complex and dynamic professional landscape, Seth G.B. Podar College, under the aegis of the Shri Anandilal Podar Trust, Nawalgarh, hosted an enriching Career Guidance Seminar organized by the PIMS Department. The seminar aimed to empower students with insights into the

latest technological advancements and career opportunities, preparing them to meet the challenges of tomorrow's workforce.

Held with the objective of broadening the career horizons of students, the event featured expert speakers from the industry, who shared their knowledge on cutting-edge technologies and employment trends. The seminar offered a platform for students to engage with professionals, gain practical insights, and learn about the tools and skills essential for thriving in a tech-driven world.

This report delves into the highlights of the seminar, focusing on the key discussions, expert advice, and the overall impact on the students who attended this insightful event.

Event Overview

A grand "Career Guidance Seminar" was conducted at Seth G.B. Podar College, Nawalgarh, operated by the The Anandilal Podar Trust. The seminar was organized by the PIMS Department with the aim of providing students with insights into emerging career trends and equipping them with the necessary knowledge to navigate the dynamic job market.

The event was inaugurated with ceremonial lamp-lighting and floral tributes to Goddess Saraswati, symbolizing the pursuit of knowledge and wisdom. The occasion was graced by esteemed dignitaries, including Dr. Rajendra Kumar, COO of Podar Trust, Dr. Satyendra Singh, Principal of Podar College, and Prof. N.K. Mishra, Dean of the PIMS Department. Prof. Mishra extended a warm welcome to the guests and set a tone of inspiration and enthusiasm for the seminar.

Insights into Emerging Technologies

The highlight of the seminar was the keynote address delivered by Mr. Suraj Rajoria, Founder and COO of Virtuowhiz Consulting. Mr. Rajoria captivated the audience with an in-depth presentation on revolutionary fields such as Cloud Computing, Artificial Intelligence (AI), and Machine Learning (ML). He stressed the transformative impact of these technologies on industries globally, showcasing how they are reshaping various sectors, including healthcare, finance, and education.

Mr. Rajoria further discussed the practical applications of these technologies and the opportunities they present for innovation. He also introduced ChatGPT, an AI-driven tool, highlighting its potential to simplify tasks, improve productivity, and optimize professional workflows. The discussion emphasized the growing importance of understanding and leveraging AI in today's professional environment.

Career Opportunities and Expert Guidance

In addition to the keynote address, the seminar featured presentations from Mr. Devendra Rajoria, Chief Consultant at VirtuoWhiz Consulting, and Mr. Sunil Saini, Senior Consultant. Both experts shared invaluable insights into

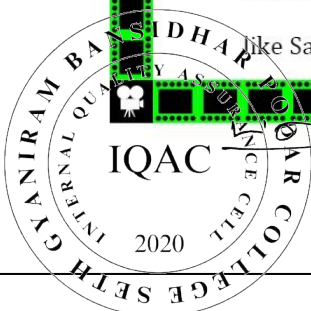

current employment trends and the evolving career landscape. They provided a detailed overview of the workings of Salesforce, a leading customer relationship management (CRM) platform, and its increasing demand in the corporate world.

Both Mr. Devendra Rajoria and Mr. Sunil Saini underscored the need for students to embrace adaptability and continuous learning. They encouraged the students to stay proactive in acquiring new skills and knowledge to remain

competitive in a job market that is constantly changing due to technological advancements. Their emphasis on skill development, particularly in high-demand areas like Salesforce, cloud technologies, and AI, served as a crucial takeaway for students.

A Platform for Inspiration

The seminar provided an interactive platform for students to directly engage with industry experts. The open discussions allowed students to ask questions, seek career advice, and clarify doubts about

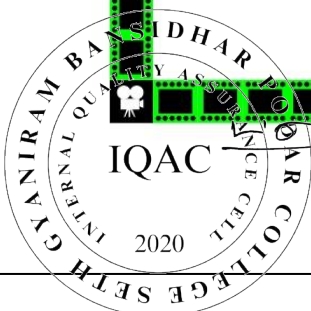

potential career paths. The speakers' practical advice, coupled with real-world examples, inspired the students to embrace technological advancements and view challenges as opportunities for growth.

The event concluded with a vote of thanks delivered by Dr. N.K. Mishra, who expressed gratitude to the speakers for their valuable time and insights. He also appreciated the enthusiastic participation

of the students and reiterated the college's commitment to providing quality education and career guidance.

Conclusion

The Career Guidance Seminar at Podar College was an instrumental event in preparing students for the future. By inviting industry leaders like Mr. Suraj Rajoria and his team, the college demonstrated its dedication to equipping students with the knowledge and tools needed to succeed in an ever-changing job market. The seminar not only informed students about the latest technological advancements but also motivated them to adopt a proactive approach toward continuous learning and skill development.

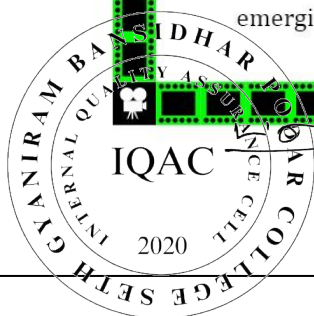

The event left participants inspired, informed, and ready to explore the vast opportunities available in the IT and allied sectors. Through expert guidance and practical insights, the seminar has undoubtedly contributed to shaping the career paths of many students, helping them become future-ready professionals.

Acknowledgments

The seminar was a success due to the collective efforts of the Podar College administration, the PIMS Department, and the guest speakers. The guidance and support from Dr. Rajendra Kumar, Dr. Satyendra Singh, Prof. N.K. Mishra, and the entire organizing team were invaluable in making this event a reality.

The event would not have been possible without the participation of the students, whose engagement and enthusiasm played a pivotal role in making the seminar interactive and insightful.

This report highlights the key takeaways from the "Career Guidance Seminar" and underscores the importance of continuous learning, adaptability, and embracing emerging technologies for the success of the students at Podar College.

Permission

To,

The Principal,
Through IQAC,

Subject: Permission to Conduct Career Guidance Seminar for BCA and BBA Students

Respected Sir,

I hope this letter finds you in good health and high spirits. I am writing to seek your kind permission to organize a **Career Guidance Seminar** for the students of BCA and BBA. The seminar aims to provide valuable insights into emerging career opportunities in fields such as Cloud Computing, Artificial Intelligence, Machine Learning, and Salesforce.

We propose to invite industry experts from VirtuoWhiz Consulting, including Mr. Suraj Rajoria, Founder and COO, as the chief speaker. His expertise and practical knowledge will greatly benefit the students in understanding the evolving job market and technological advancements.

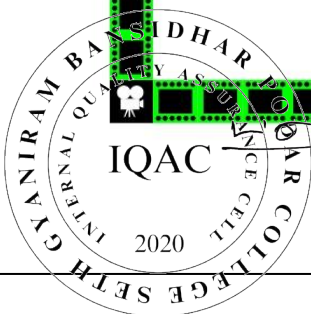

The seminar is tentatively planned for **11 May, 2024** from **10:30 am** in Auditorium Hall. We will ensure all arrangements are made smoothly, and the session is conducted in a disciplined manner.

Your approval will enable us to proceed with the preparations and notify the students accordingly. We look forward to your positive response.

Thank you for your support.

Report on Axis Bank Campus Placement

Introduction

Seth Gyaniram Bansidhar Podar College, Nawalgarh, a renowned institution under the aegis of the Anandilal Podar Trust, Nawalgarh, successfully hosted a campus placement drive conducted by Axis Bank. The event, organized by the college's Training and Placement Cell, aimed to provide promising job opportunities to its final year undergraduate and postgraduate students.

Event Highlights

- **Selection Process:** The placement drive involved a rigorous selection process that included interviews conducted by a panel of HR executives from Axis Bank.
- **Successful Candidates:** Out of the 69 students who appeared for the interviews, 28 were selected for the position of Assistant Manager.
- **Salary Package:** The selected candidates will be offered a lucrative salary package ranging between Rs. 3.60 lakhs to Rs. 4.80 lakhs per annum.
- **Encouragement and Support:** The college faculty, including Prof. Rajesh Verma, Prof. Rachana, Prof. Mukesh Kumar Saini, and Prof. Ashish Mathur, were present throughout the drive to motivate and support the students.
- **Appreciation and Blessings:** The College's management, including Chairman Rajiv K. Podar, Trustee, Ms. Vedica Podar, Executive Director, M.D. Shanbhag, and COO, Dr. Rajendra Kumar, extended their heartfelt congratulations and best wishes to the selected students.

Significance of the Placement Drive

The successful campus placement drive at Seth Gyaniram Bansidhar Podar College, Nawalgarh underscores the institution's commitment to providing quality education and preparing students for the competitive job market. It is a testament to the college's rigorous academic program and the caliber of its students. The placement drive also highlights the trust and confidence that leading corporate organizations like Axis Bank have in the institution.

Conclusion

The campus placement drive organized by Axis Bank at Seth Gyaniram Bansidhar Podar College, Nawalgarh has been a resounding success. It has not only provided excellent job opportunities to the students but has also boosted the morale of the entire college community. This event serves as a shining example of the fruitful collaboration between academia and industry.

Key Takeaways:

- Successful campus placement drive at Seth Gyaniram Bansidhar Podar College, Nawalgarh.
- 28 students selected for Assistant Manager Positions at Axis Bank.
- Attractive salary package offered to the selected candidates.
- Strong support from the college faculty and management.
- Collaboration between academia and industry.

Report on Guest Lecture on Career Guidance

Introduction

Seth Gyaniram Bansidhar Podar College, Nawalgarh, a prominent institution under the Anandilal Podar Trust, Nawalgarh, recently hosted a guest lecture organized by the Alumni Association. The event aimed to inspire and motivate students, particularly those pursuing science and technology, by providing insights from a distinguished academic.

Event Highlights

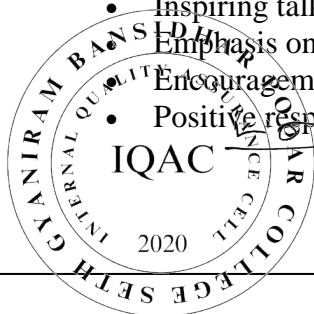

- **Inauguration:** The event commenced with traditional rituals, including paying homage to the Goddess Saraswati and lighting a lamp.
- **Keynote Speaker:** Dr. Mahesh Kumar, a professor at IIT Jodhpur and an alumnus of Podar College, delivered the keynote address. He was warmly welcomed by the college principal, Dr. Satyendra Singh, and the COO of the Podar Trust, Dr. Rajendra Kumar.
- **Inspiring Talk:** Dr. Mahesh Kumar emphasized the numerous opportunities available for students in the fields of science and technology. He highlighted the importance of a strong foundation in undergraduate and school education for achieving success in postgraduate studies and research.
- **Encouraging Research:** Dr. Mahesh Kumar informed the students about various research opportunities offered by organizations such as NET, GATE, IIT, IISc, and DST. He urged the students to actively participate in research activities.
- **Interactive Session:** The lecture was followed by a question-and-answer session where students had the opportunity to interact with Dr. Kumar and seek clarifications on various topics.
- **Acknowledgement and Appreciation:** The Alumni Association Secretary, Dr. Vinod Kumar Saini, presented a token of appreciation to Dr. Mahesh Kumar. Prof. Chetan Dadhich expressed gratitude to all the participants.
- **Overwhelming Response:** The event received an overwhelming response from students, faculty, and the college administration. The chairman of the Podar Trust, Shri Rajiv K. Podar, and trustee Sushri Vedika Podar, along with the Executive Director M.D. Shanbhag, expressed their satisfaction with the successful organization of the guest lecture.

Conclusion

The guest lecture at Seth Gyaniram Bansidhar Podar College, Nawalgarh proved to be an enriching experience for the students. Dr. Mahesh Kumar's insightful talk and the interactive session inspired the students to pursue higher studies and research in the field of science and technology. The event also highlighted the college's commitment to providing quality education and fostering a culture of learning and innovation.

Key Takeaways:

- Successful guest lecture organized by the Alumni Association.
- Inspiring talk by Dr. Mahesh Kumar, an IIT Jodhpur professor and alumnus.
- Emphasis on the importance of undergraduate and school education.
- Encouragement for students to pursue research opportunities.
- Positive response from students, faculty, and the college administration.
