## SETH GYANIRAM BANSIDHAR PODAR COLLEGE Podar Educational Campus, Nawalgarh - 333042 (Raj.)

### FACULTY DEVELOPMENT PROGRAMME

#### Introduction:-

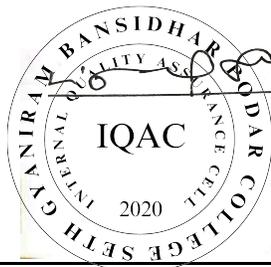

Seth Gyaniram Bansidhar Podar College emphasizes the essential role of human resources in achieving its core goals and aspirations. We recognize the value of highly skilled and efficient academic and non-teaching staff in maintaining exceptional standards across all our disciplines. To cultivate and retain talent, we actively recruit, nurture, and empower our faculty and non-teaching personnel to adapt to evolving curriculum, teaching environments, research demands, and skill development needs.

Despite challenges like faculty shortages faced by many institutions, including prestigious ones, we believe that comprehensive Faculty Development Programmes are crucial for preparing and molding effective educators and administrators. Through these programs, we strive to equip our new recruits with the knowledge, skills, and attitudes necessary to thrive in their roles and contribute significantly to the success of our students and the Institute as a whole

#### Objectives:-

The objectives of the Faculty Development Programme are to enable newly recruited teaching/non-teaching members to:-

1. Understand the significance of higher education in the global and Indian contexts.
2. Acquire and improve art of teaching at the university level to achieve goals of higher education and to be effective in transfer of knowledge.
3. Accord importance to research activity in addition to academic activity.
4. Understand the linkages between education and socio-economic and cultural development.
5. Keep abreast of the latest developments in their specific subjects and acquire knowledge and skills in new and emerging areas.
6. Understand the organization and management of the Institute and to perceive the role of teachers in the total system.
7. To make teaching/non-teaching staff members to familiar with the philosophy and culture of the institution, especially to make every program student-centric.

## SETH GYANIRAM BANSIDHAR PODAR COLLEGE Podar Educational Campus, Nawalgarh - 333042 (Raj.)

8. To the work as a matured counselor to the students, and to contribute to their overall development.
9. To train the faculty on the basics of administrative work.
10. To familiarize usage of ICT in teaching and also in the preparation of digital content to promote self-learning.

A qualified and competent teaching faculty enhances the breadth, depth and quality of teaching, environment, research and skill development. The role of a teacher is not only to provide instructions to the students but also to develop their overall personality. The faculty plays pivotal role in shaping the career pursuits of the students moulds them into professionals, and responsible citizens.

It is observed the most of the fresh recruits:

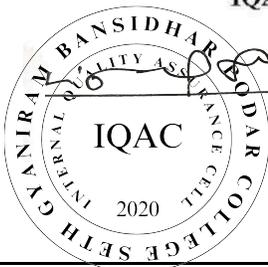

1. New members are not familiar and thorough with all the concepts of the subjects they have to teach.
2. Need to understand the students and their attitudes
3. Their approach with the students is either too rigid or too much liberal.
4. do not have any idea of counseling and mentoring system
5. Lack team spirit to work with their colleagues.

If the faculty is directly put on the job with this kind of deficiencies, they may be failure in the class leading to unhappiness in the campus.

To avoid this kind of problem and also to transform them into effective and efficient Faculty, Faculty Development Programme is planned, well designed, and conducted very seriously in the Institution.

Seth Gyaniram Bansidhar Poddar College, Nawalgarh initially has Mahatma Gandhi as the first Chairman Trustee. The College is one of the finest institutions in the Shekhawati region. Growing from the past of a Brahmacharya Ashram, the college has developed a lot according to the needs of the modern world. The aim with which the college was established is to educate the population and uplift them by the morals of education. The college has initially received donations from Shri Anandilalji Poddar. His wish was to educate the society he was brought up so that more people can have their dreams come true. The college established in the pre-independent era of the country has gone through a lot of changes, and now holds the respect of being one of the best. This is the first college in the pre-independent state of Jaipur. The College has a well-equipped library. With over 75,000 books and more than enough journals and magazines, the college provides the students freedom to know what they wish. Yearbooks, rare collections are also a part of the vast library. All science departments have their individual labs. Students are given training in these labs so as to better their understanding of the subject.

Seth G.B.Podar College,  
Nawalgarh, Rajasthan

Affiliated to Pandit Deendayal  
Upadhyaya Shekhawati  
University, Sikar (Rajasthan)

Seth Gyaniram Bansidhar Podar College, Nawalgarh initially has Mahatma Gandhi as the first Chairman Trustee. The College is one of the finest institutions in the Shekhawati region. Growing from the past of a Brahmacharya Ashram, the college has developed a lot according to the needs of the modern world. The aim with which the college was established is to educate the population and uplift them by the morals of education. The college has initially received donations from Shri Anandilalji Poddar. His wish was to educate the society he was brought up so that more people can have their dreams come true. The college established in the pre-independent era of the country has gone through a lot of changes, and now holds the respect of being one of the best. This is the first college in the pre-independent state of Jaipur.

The College has a well-equipped library. With over 75,000 books and more than enough journals and magazines, the college provides the students freedom to know what they wish. Yearbooks, rare collections are also a part of the vast library.

All science departments have their individual labs. Students are given training in these labs so as to better their understanding of the subject.

Affiliated to Pandit Deendayal Upadhyaya Shekhawati University, Sikar

Seth Gyaniram Bansidhar Poddar College, Nawalgarh initially has Mahatma Gandhi as the first Chairman Trustee. The College is one of the finest institutions in the Shekhawati region. Growing from the past of a Brahmacharya Ashram, the college has developed a lot according to the needs of the modern world. The aim with which the college was established is to educate the population and uplift them by the morals of education. The college has initially received donations from Shri Anandilalji Poddar. His wish was to educate the society he was brought up so that more people can have their dreams come true. The college established in the pre-independent era of the country has gone through a lot of changes, and now holds the respect of being one of the best. This is the first college in the pre-independent state of Jaipur.

The College has a well-equipped library. With over 75,000 books and more than enough journals and magazines, the college provides the students freedom to know what they wish. Yearbooks, rare collections are also a part of the vast library. All science departments have their individual labs. Students are given training in these labs so as to better their understanding of the subject.

## Report

### Three-Day Workshop on Outcome Based Education

- **Introduction:** The Internal Quality Assurance Cell (IQAC) of Seth Gyaniram Banshidar Podar College Nawalgarh organized a three-day workshop on "Outcome Based Education (OBE)" from July 13th to 15th, 2022, in Room No. 58 of the PIMS Department. The workshop aimed to equip faculty members and students with the knowledge and skills necessary to effectively implement OBE in their teaching and learning practices.

#### Workshop Details:

- Dates: July 13th to 15th, 2022
- Time: 2:00 PM to 4:00 PM
- Venue: Room No. 58, PIMS Department
- Resource Person: Prof. Chetan Dadheech
- Target Audience: Faculty members and students

#### Workshop Objectives:

- To introduce the concept of OBE and its significance in contemporary education.
- To equip participants with the skills to define learning outcomes at various levels.
- To provide insights into curriculum design and assessment strategies aligned with OBE principles.
- To facilitate discussions and knowledge sharing among participants on implementing OBE effectively.

#### Workshop Content:

The three-day workshop covered a comprehensive range of topics related to OBE, including:

- Day 1: Introduction to OBE, benefits, Bloom's Taxonomy for defining learning outcomes.
- Day 2: Aligning curriculum, teaching, learning, and assessment with learning outcomes.
- Day 3: Strategies for effective assessment and evaluation in OBE, using rubrics, and continuous improvement.

#### Workshop Delivery:

The workshop was led by Prof. Chetan Dadheech, a renowned expert in the field of OBE. He employed a combination of interactive lectures, group discussions, and case studies to facilitate active learning and engagement among participants.

## Outcomes:

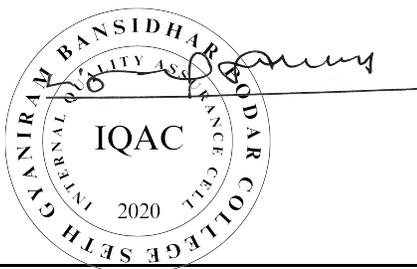

The workshop received positive feedback from the participants, who appreciated the informative and engaging sessions. They gained valuable insights into OBE principles and practical strategies for implementing it in their educational settings. The workshop is expected to contribute to the overall improvement of teaching and learning quality at Podar College by promoting a student-centered, outcome-oriented approach to education.

## Recommendations:

- Follow-up workshops and training sessions could be organized to provide further support and guidance to faculty members in implementing OBE in their specific courses.
- A dedicated online resource platform could be established to share best practices, learning materials, and tools related to OBE.
- Regular monitoring and evaluation mechanisms could be implemented to assess the effectiveness of OBE implementation and identify areas for improvement.

## Conclusion:

The three-day workshop on OBE served as a valuable platform for faculty members and students to gain knowledge and practical skills necessary for successful implementation of this educational approach. By embracing OBE Principles, College can strive towards achieving its educational goals and ensuring the holistic development of its students.

## REPORT ON:

### WORKSHOP ON NEW EDUCATION POLICY BY DR. ARVIND MAHLA

On 5th September 2022, Dr. Arvind Mahla, an Associate Professor at Government College, Sikar, delivered a workshop on the New Education Policy at Seth GB Podar College in Nawalgarh, Jhunjhun. The talk was attended by students and faculty members, aiming to shed light on the key aspects of the policy, particularly in the context of higher education. Dr. Mahla emphasized the need for flexibility, a shift from exam-centric to holistic and experiential learning, clear provisions for entry and exit options, synchronization of vocational subjects, and the portability of academic credits. This report will provide an in-depth analysis of the expert talk, highlighting the key points discussed.

**Flexibility in Higher Education:** Dr. Mahla began by emphasizing the importance of flexibility in higher education. He stated that the New Education Policy aims to provide students with the freedom to choose their courses and subjects based on their interests and career goals. The policy encourages interdisciplinary learning, allowing students to explore various fields and develop a well-rounded skill set. Dr. Mahla highlighted that this flexibility would enable students to pursue their passion and excel in their chosen fields.

**Shift from Exam-Centric to Holistic and Experiential Learning:** Another crucial aspect discussed by Dr. Mahla was the shift from an exam-centric approach to holistic and experiential learning. He argued that the current education system primarily focuses on rote memorization and exam performance, which limits students' creativity and critical thinking abilities. The New Education Policy aims to change this by promoting a more practical and application-based approach to learning. Dr. Mahla emphasized the importance of hands-on experiences, internships, and project-based learning to enhance students' understanding and skill development.

**Clear Provision of Entry/Exit Options:** Dr. Mahla highlighted the provision of entry and exit options as a significant aspect of the New Education Policy. He explained that the policy allows students to enter and exit degree programs at different stages, providing them with flexibility and multiple opportunities. This provision is particularly beneficial for students who may need to take breaks from their studies due to personal or professional reasons. Dr. Mahla emphasized that this flexibility would enable students to resume their education without facing any obstacles or time constraints.

**Synchronization of Vocational Subjects:** The expert talk also focused on the synchronization of vocational subjects within higher education. Dr. Mahla explained that the New Education Policy aims to bridge the gap between academic and vocational education. The policy encourages the integration of vocational subjects into mainstream education, providing students with practical skills and

enhancing their employability. Dr. Mahla highlighted the importance of vocational education in nurturing entrepreneurship and promoting job-ready skills among students.

## Portability of Academic Credits:

Lastly, Dr. Mahla discussed the portability of academic credits as a key feature of the New Education Policy. He explained that the policy enables students to transfer their credits earned from one institution to another, both within the country and internationally. This provision ensures that students' efforts and achievements are recognized and valued, regardless of their geographical location. Dr. Mahla emphasized that the portability of academic credits would facilitate seamless mobility and encourage collaboration among institutions.

In conclusion, Dr. Arvind Mahla's expert talk on the New Education Policy provided valuable insights into the key aspects of higher education. The talk highlighted the need for flexibility, a shift from exam-centric to holistic and experiential learning, clear provisions for entry and exit options, synchronization of vocational subjects, and the portability of academic credits. These aspects are crucial in shaping a more inclusive, practical, and student-centric education system. The New Education Policy aims to bring about these changes, empowering students to explore their interests, develop critical skills, and excel in their chosen fields.
