- How Can take the part youth in our society positively
- Digital Media and Social Media platform for youth
- How youth contributing to the development of the country

## **REPORT**

- **Momentary introduction giving by Ms. Suamn Saini Head of Department (Botany)**

Swami Vivekananda was born as Narendranath Dutta on 12th January 1863. He was a key figure in the introduction of the Indian philosophies of Vedanta and Yoga to the western world and was credited with raising interfaith awareness. He was a chief disciple of 19th century saint Ramakrishna and founder of Ramakrishna Math and Ramakrishna mission.

- The 161 Birth Anniversary of Swami Vivekananda is celebrated all over the country giving a message to the youth the way of life and ideals that will make India a better country in future.
- Department of Botany, Seth Gyaniram Bansidhar College, Nawalgarh observed the National Youth Day with the primary aim of sensitizing the students about the philosophies, principles and ideas of Swami Vivekanada. The students were motivated to be good citizens of India, thus contributing to the development of the country.
- A lecture was delivered by Ms. Suman Saini, Head of Department (Botany), Seth Gyaniram Bansidhar College, Nawalgarh on youth capabilities to identify.
- The inspiring stories of Swami Vivekananda's life briefed to the students by Mr. Ankit kumar Jangid, Assistant Professor made the session more interesting and captivating.

In the program total 22 students participated and know about the National Youth Day and its important. On this day students of M.Sc. Botany were present power point presentation on National Youth Day.
