## **REPORT**

History is proof that media and news holds immense power in setting narratives and reporting the different sides of a single story. On the occasion of National Press Day student of botany department takes discussed that Press Council of India why celebrate National Press Day on 16 November every year. This day is celebrated to honour the formation of the Press Council of India in 1966. Every

year, the Press Council of India decides a theme on which this special day is observed by people across the nation. The objective behind celebrating the day is to pay tribute to the contributions of the Press Council of India. Everyone should celebrate the day with great enthusiasm.

National Press Day helps to understand the importance of a free and independent press in India. It is important to note that National Press Day 2023 will be celebrated on Thursday, 16 November. This day acts as a tribute to the crucial role played by the press in preserving democracy and freedom of speech. You should know the importance of this day.

In the program total 22 students participated and know about the National Press Day and its importance. The program was started with the inaugural speech by Ms. Suman saini, Head of Department, Seth Gyaniram Bansidhar Podar College, in his speech she concluded with the importance of Press and media in Daily life and study. After this Mr. Ankit Kumar Jangid, Assistant Professor, Department of Botany gave his lecture on National Press Day and its importance. Press and Media are part of awareness among peoples. Students learn about how social media use for information and take part or media. Students are advised for misleading information on social media.
