SETH GYANIRAM BANSIDHAR PODAR COLLEGE Podar Educational Campus, Nawalgarh - 333042 (Raj.)

FACULTY DEVELOPMENT PROGRAMME

Introduction:-

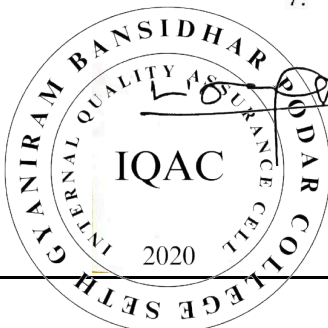

Seth Gyaniram Bansidhar Podar College emphasizes the essential role of human resources in achieving its core goals and aspirations. We recognize the value of highly skilled and efficient academic and non-teaching staff in maintaining exceptional standards across all our disciplines. To cultivate and retain talent, we actively recruit, nurture, and empower our faculty and non-teaching personnel to adapt to evolving curriculum, teaching environments, research demands, and skill development needs.

Despite challenges like faculty shortages faced by many institutions, including prestigious ones, we believe that comprehensive Faculty Development Programmes are crucial for preparing and molding effective educators and administrators. Through these programs, we strive to equip our new recruits with the knowledge, skills, and attitudes necessary to thrive in their roles and contribute significantly to the success of our students and the Institute as a whole

Objectives:-

The objectives of the Faculty Development Programme are to enable newly recruited teaching/non-teaching members to:-

1. Understand the significance of higher education in the global and Indian contexts.
2. Acquire and improve art of teaching at the university level to achieve goals of higher education and to be effective in transfer of knowledge.
3. Accord importance to research activity in addition to academic activity.
4. Understand the linkages between education and socio-economic and cultural development.
5. Keep abreast of the latest developments in their specific subjects and acquire knowledge and skills in new and emerging areas.
6. Understand the organization and management of the Institute and to perceive the role of teachers in the total system.
7. To make teaching/non-teaching staff members to familiar with the philosophy and culture of the institution, especially to make every program student-centric.

8. To the work as a matured counselor to the students, and to contribute to their overall development.
9. To train the faculty on the basics of administrative work.
10. To familiarize usage of ICT in teaching and also in the preparation of digital content to promote self-learning.

A qualified and competent teaching faculty enhances the breadth, depth and quality of teaching, environment, research and skill development. The role of a teacher is not only to provide instructions to the students but also to develop their overall personality. The faculty plays pivotal role in shaping the career pursuits of the students moulds them into professionals, and responsible citizens.

It is observed the most of the fresh recruits:

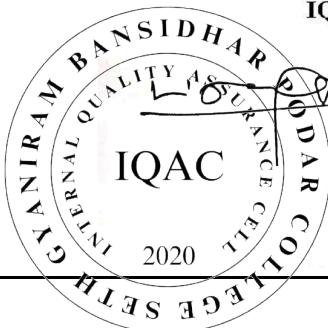

1. New members are not familiar and thorough with all the concepts of the subjects they have to teach.
2. Need to understand the students and their attitudes
3. Their approach with the students is either too rigid or too much liberal.
4. do not have any idea of counseling and mentoring system
5. Lack team spirit to work with their colleagues.

If the faculty is directly put on the job with this kind of deficiencies, they may be failure in the class leading to unhappiness in the campus.

To avoid this kind of problem and also to transform them into effective and efficient Faculty, Faculty Development Programme is planned, well designed, and conducted very seriously in the Institution.

Subject: Request for Permission to Organize Faculty Development Program on "Research Methodology, How to Write Research & Review Paper".

Respected Sir,

With due regards I, Dr. B. S. Rathore, HOD, Department of Physics, respectfully request permission to organizing the Faculty Development Program on "Research Methodology, How to Write Research & Review Paper" for the benefit of teaching and non-teaching staff of our institution.

Objectives:

- To enhance the research skills and knowledge of faculty members.
- To familiarize faculty with various research methodologies and their applications.
- To encourage faculty to actively engage in research activities.

Program Details:

- **Title:** Research Methodology, How to Write Research & Review Paper
- **Target Audience:** All Teaching Staff
- **Duration:** 03 days (02:30- 04:30 PM.)
- **Date:** 25-27 October 2023
- **Venue:** Department of Chemistry, Room No. -32

Expected Outcomes:

- Increased research output from faculty members.
- Improved quality of research publications.
- Enhanced research skills and knowledge among faculty.

We kindly request your permission to organize this Faculty Development Program. We believe this program will be highly beneficial for the professional development of our faculty and contribute significantly to the overall research output of the institution.

Thank you for your time and consideration.

Research Methodology & Vegetative Plant Propagation

A faculty development program designed to enhance your research skills and understanding of plant propagation techniques.

○ **By**
Dr Ravindra
Goswami
Head, Department
of Botany

Introduction to Research Methodologies

Scientific Inquiry

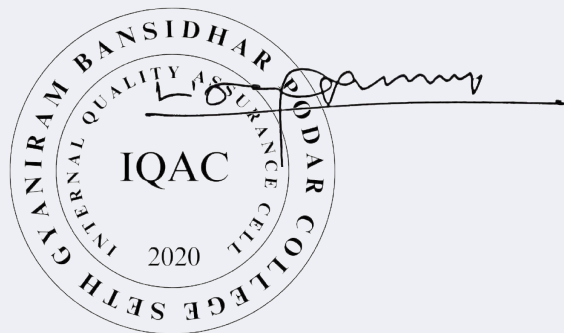

Explore the principles and procedures of scientific research.

Research Paradigms

Understand different research approaches, including positivist, interpretive, and critical.

Research Ethics

Examine ethical considerations in research and data collection.

Importance of Research in Academia

1 Advancement of Knowledge

Research contributes to the body of knowledge in various fields.

2 Innovation and Problem-Solving

Research leads to innovative solutions for real-world challenges.

3 Academic Excellence

Research is a cornerstone of academic excellence and student development.

4 Career Advancement

Research publications and projects enhance faculty credentials.

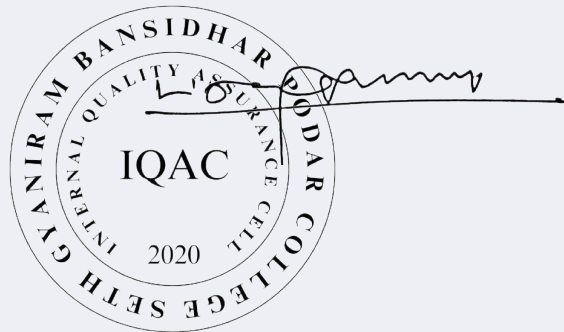

Quantitative and Qualitative Research Methods

Quantitative Research

Focuses on numerical data, statistical analysis, and objective measurement.

Qualitative Research

Focuses on understanding experiences, perspectives, and meanings, using text and observation.

Experimental Design and Data Analysis

Experimental Design

Learn about controlled experiments, independent and dependent variables, and experimental groups.

Data Analysis

Understand statistical methods, data visualization, and interpretation of results.

Vegetative Plant Propagation Techniques

1

Cuttings

Propagating new plants from stem or leaf cuttings.

2

Layering

Inducing roots on a stem while it's still attached to the parent plant.

3

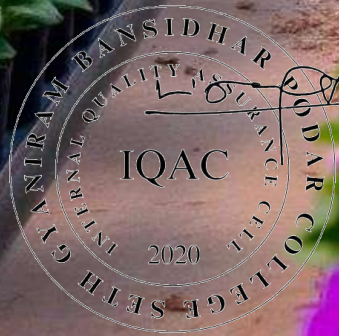

Division

Separating existing plants into multiple individual plants.

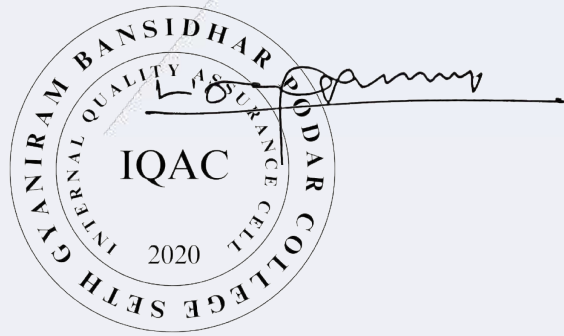

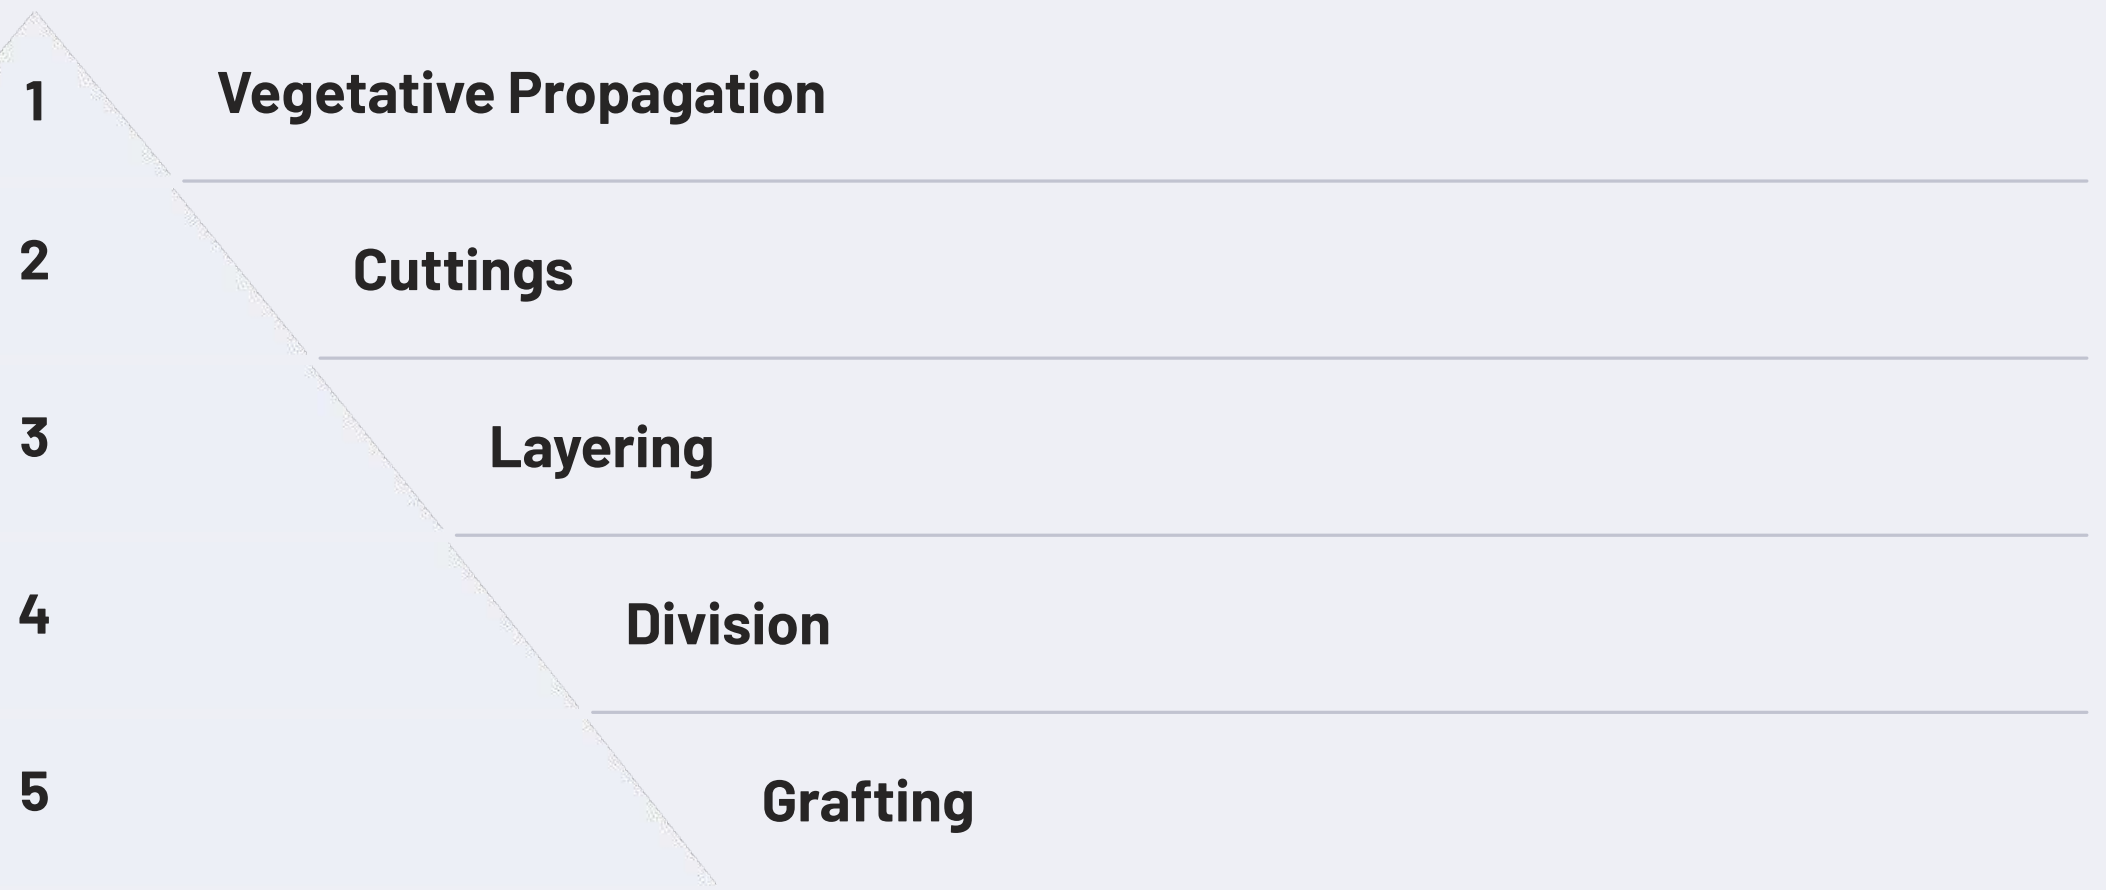

4

Grafting

Joining a scion (desired variety) onto a rootstock (suitable base).

Asexual Reproduction in Plants

Applications of Vegetative Propagation

Horticulture

1

Maintaining desired traits and multiplying plants for commercial use.

Agriculture

2

Increasing crop yield and producing disease-resistant varieties.

Conservation

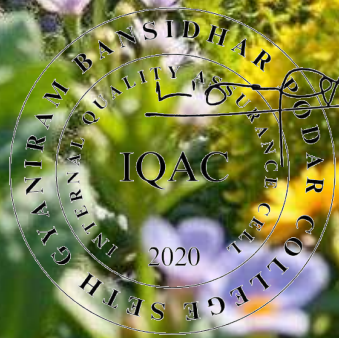

3

Preserving endangered plant species through propagation.

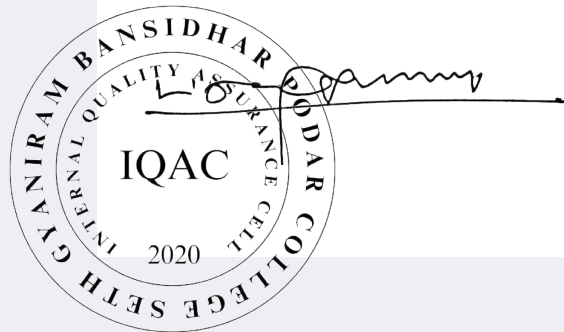

Research

4

Creating genetically modified plants and studying plant responses.

Case Studies and Best Practices

Subject: Permission for organizing Faculty Development Program on "Vegetative Plant Propagation" for teaching & non-teaching staff.

Respected Sir,

With due regards, I, Shyama Didwaniya, respectfully request permission to organizing the Faculty Development Program on "Vegetative Plant Propagation" to be held at Department of Chemistry Room no. 32 from 28th October to 31st October, 2023. It will provide us with an opportunity to:-

- **Upgrade Knowledge and Skills:** Deepen our understanding of the latest techniques and advancements in vegetative plant propagation.
- **Enhance Teaching Pedagogy:** Acquire innovative teaching methodologies to impart practical knowledge to students.
- **Foster Research Collaboration:** Network with experts and researchers in the field to explore potential collaborations.

We kindly request your valuable support and approval for this FDP. We believe that this program will be highly beneficial for teaching and non-teaching staff and contribute significantly to the overall well-being of our institution.

Thank you for your time and consideration.

Shyama

Yours sincerely

Seth Gyaniram Bansidhar Podar College, Nawalgarh initially has Mahatma Gandhi as the first Chairman Trustee. The College is one of the finest institutions in the Shekhawati region. Growing from the past of a Brahmacharya Ashram, the college has developed a lot according to the needs of the modern world. The aim with which the college was established is to educate the population and uplift them by the morals of education. The college has initially received donations from Shri Anandi Lal ji Podar. His wish was to educate the society he was brought up so that more people can have their dreams come true. The college established in the pre-independent era of the country has gone through a lot of changes, and now holds the respect of being one of the best. This is the first college in the pre-independent state of Jaipur. The College has a well-equipped library. With over 75,000 books and more than enough journals and magazines, the college provides the students freedom to know what they wish. Yearbooks, rare collections are also a part of the vast library. All science departments have their individual labs. Students are given training in these labs so as to better their understanding of the subject.

Subject: Request for Permission to Organize Faculty Development Program on "Biodiversity & Management".

Respected Sir,

With due regards, I, Dr. Daulal Bohra, HOD, Department of Zoology, respectfully request permission to organizing the Faculty Development Program on "Biodiversity & Management" for the benefit of teaching and non-teaching staff of our institution.

Objectives of the FDP:

- To enhance awareness and understanding of biodiversity and its significance.
- To equip participants with knowledge and skills related to biodiversity conservation and management.
- To promote interdisciplinary learning and collaboration.

Proposed Program Outline:

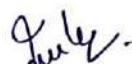

- Introduction to Biodiversity, Ecosystem Services, Threats to Biodiversity, Biodiversity Conservation Strategies, Sustainable Resource Management, Role of Technology in Biodiversity Conservation, etc.
- This FDP will be in the mode of Lectures, Workshops
- Date:- 01 to 03 November 2023
- Department of Chemistry Room No.-32

Expected Outcomes:

- Increased awareness and knowledge of biodiversity among staff.
- Development of innovative teaching-learning methods related to biodiversity.
- Increased environmental consciousness and responsible behaviour among staff.

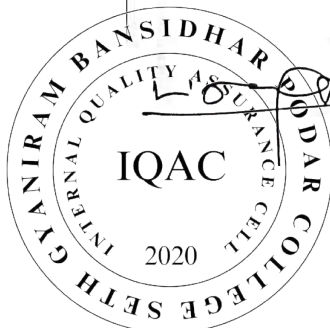

We kindly request your esteemed approval for the proposed FDP. We believe that this program will be highly beneficial for the professional development of our staff and contribute significantly to our institution's commitment to environmental sustainability.

Thank you for your time and consideration.

Biodiversity & Management in Rajasthan: Vulture Conservation and Micro bats

Welcome to this presentation on the rich biodiversity of Rajasthan,
with a focus on vulture conservation and the fascinating world of
micro bats.

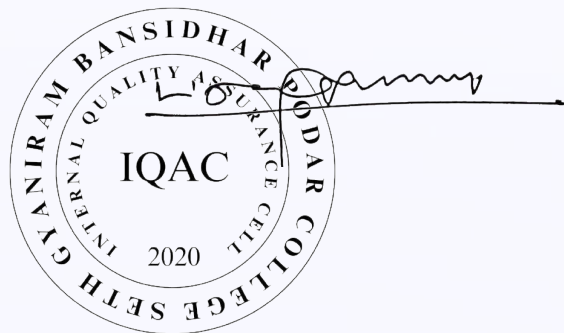

Introduction to Rajasthan's Biodiversity

Diverse Ecosystem

Rajasthan is home to a diverse range of ecosystems, from the Thar Desert to the Aravalli Range, supporting a wide variety of flora and fauna.

Rich History

The state has a rich history of biodiversity, with numerous endemic species and a unique cultural connection to nature.

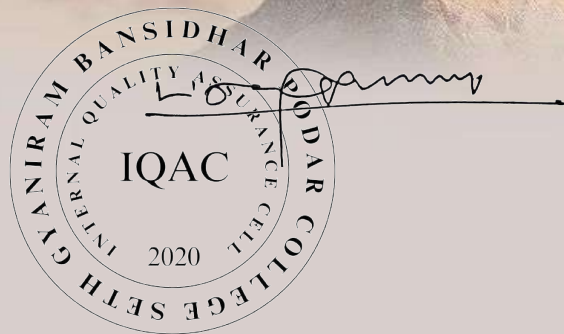

Vulture Conservation Efforts in Rajasthan

Declining Populations
Vulture populations have declined dramatically due to various threats, including poisoning and habitat loss.

Conservation Programs
Various conservation programs have been implemented to protect and restore vulture populations.

Community Engagement
Efforts include community awareness campaigns, veterinary care, and habitat restoration.

The Role of Dr. Dau Lal Bohra in Vulture Conservation

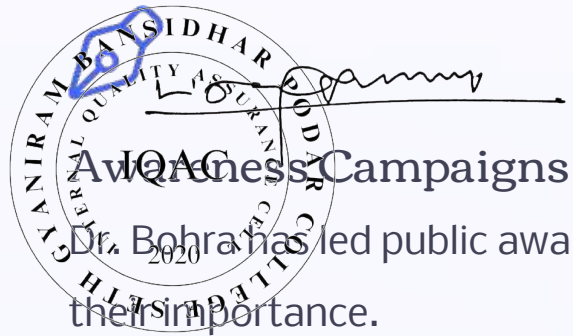

Research

Dr. Bohra has conducted extensive research on vultures, contributing to understanding their biology, ecology, and threats.

Conservation Action

He has played a key role in developing conservation strategies and implementing various conservation initiatives.

Awareness Campaigns

Dr. Bohra has led public awareness campaigns to educate communities about vultures and their importance.

Threats to Vulture Populations

1

Poisoning

Illegal poisoning of carcasses is a major threat, affecting vultures directly through secondary poisoning.

2

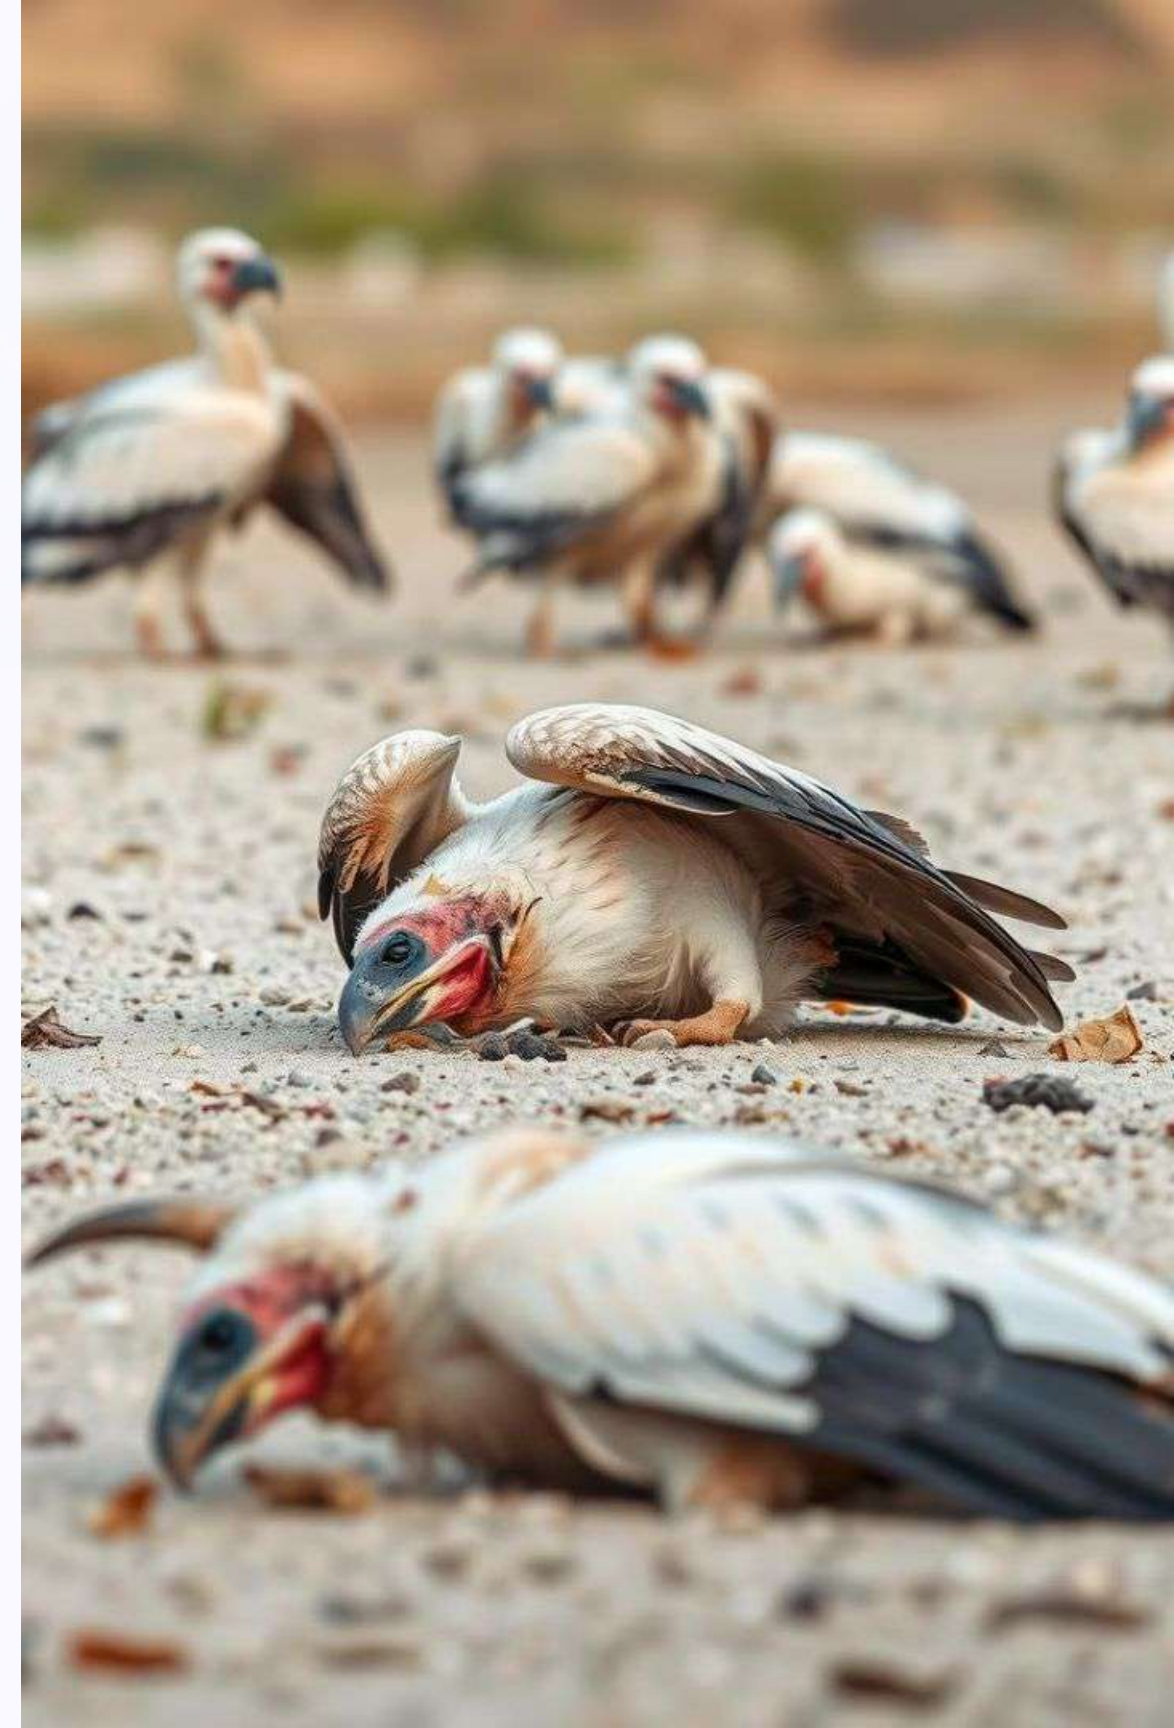

Habitat Loss

Loss of natural habitats, such as grasslands and forests, reduces available food and nesting sites for vultures.

3

Climate Change

Climate change can impact vulture populations indirectly by altering their prey base and affecting habitat availability.

Vulture Species Found in Rajasthan

Indian Vulture

The Indian Vulture, a critically endangered species, is one of the most iconic vultures found in Rajasthan.

Long-billed Vulture

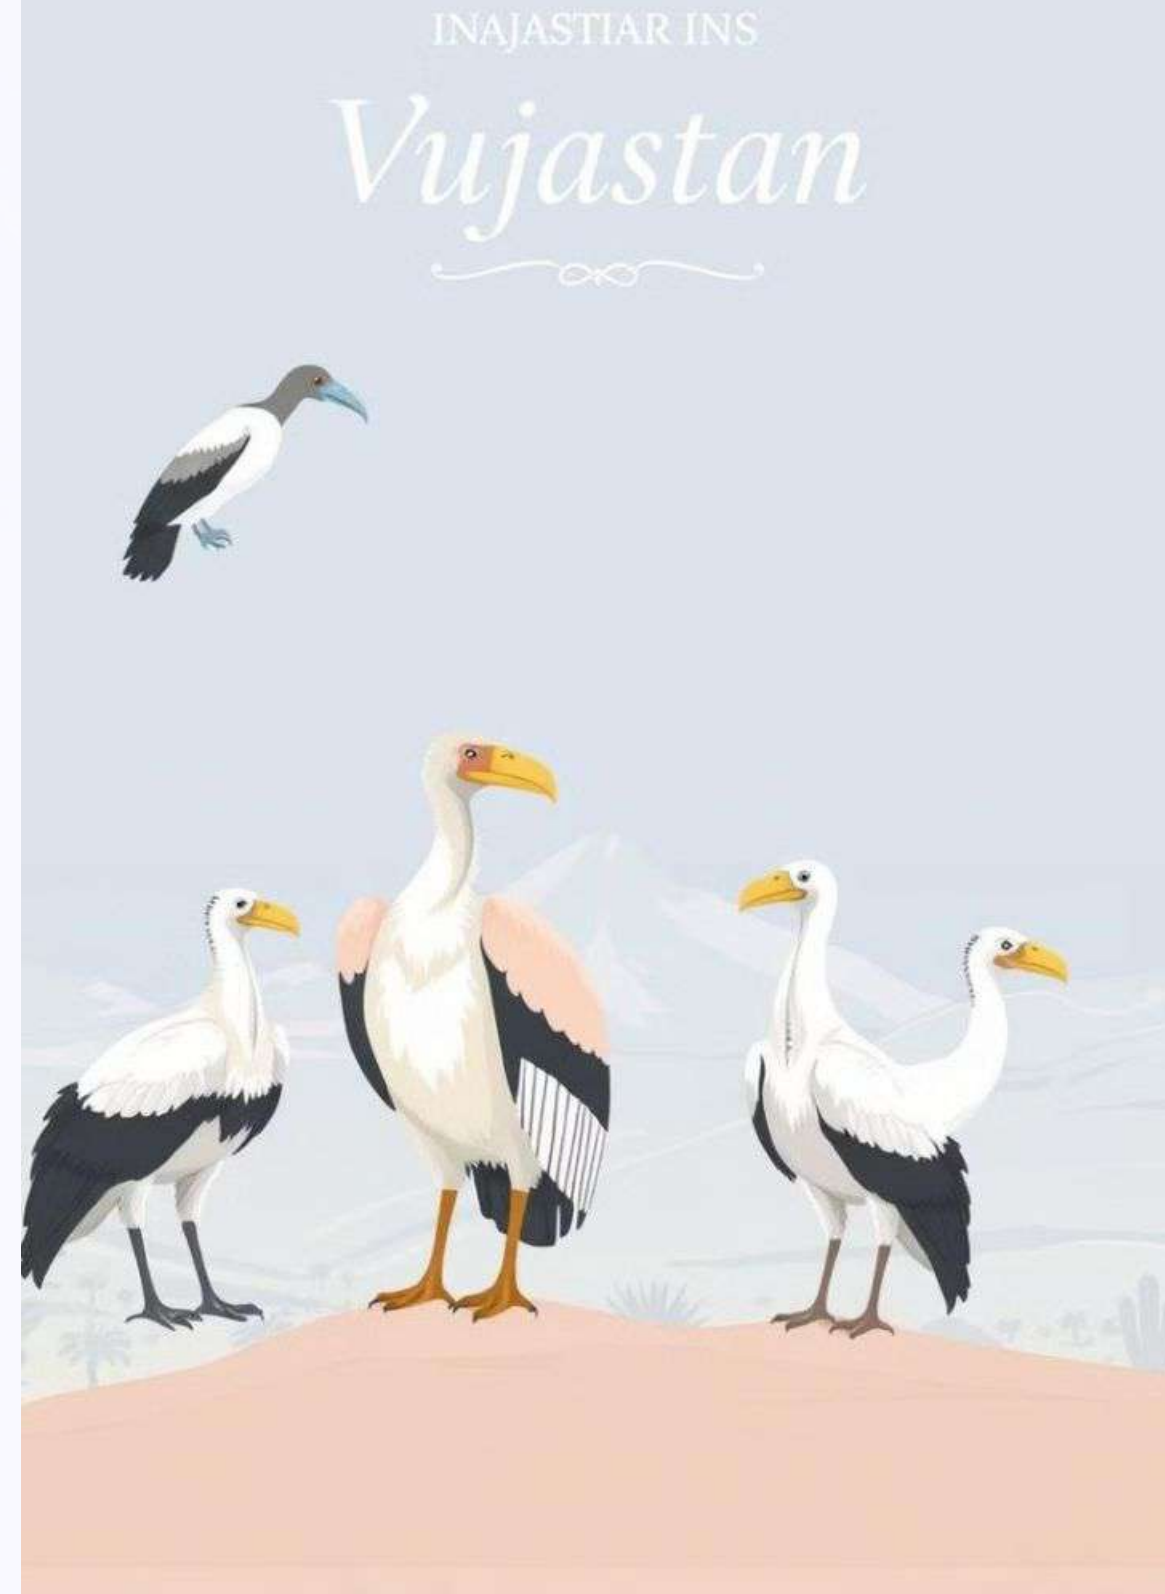

The Long-billed Vulture is another critically endangered species, facing similar threats as the Indian Vulture.

White-rumped Vulture

The White-rumped Vulture is a critically endangered species, found in smaller numbers compared to the Indian Vulture.

Slender-billed Vulture

The Slender-billed Vulture is a critically endangered species, with a limited range in Rajasthan.

Micro Bats in Rajasthan: An Overlooked Species

1

Diversity

Rajasthan is home to a variety of micro bat species, playing crucial roles in the ecosystem.

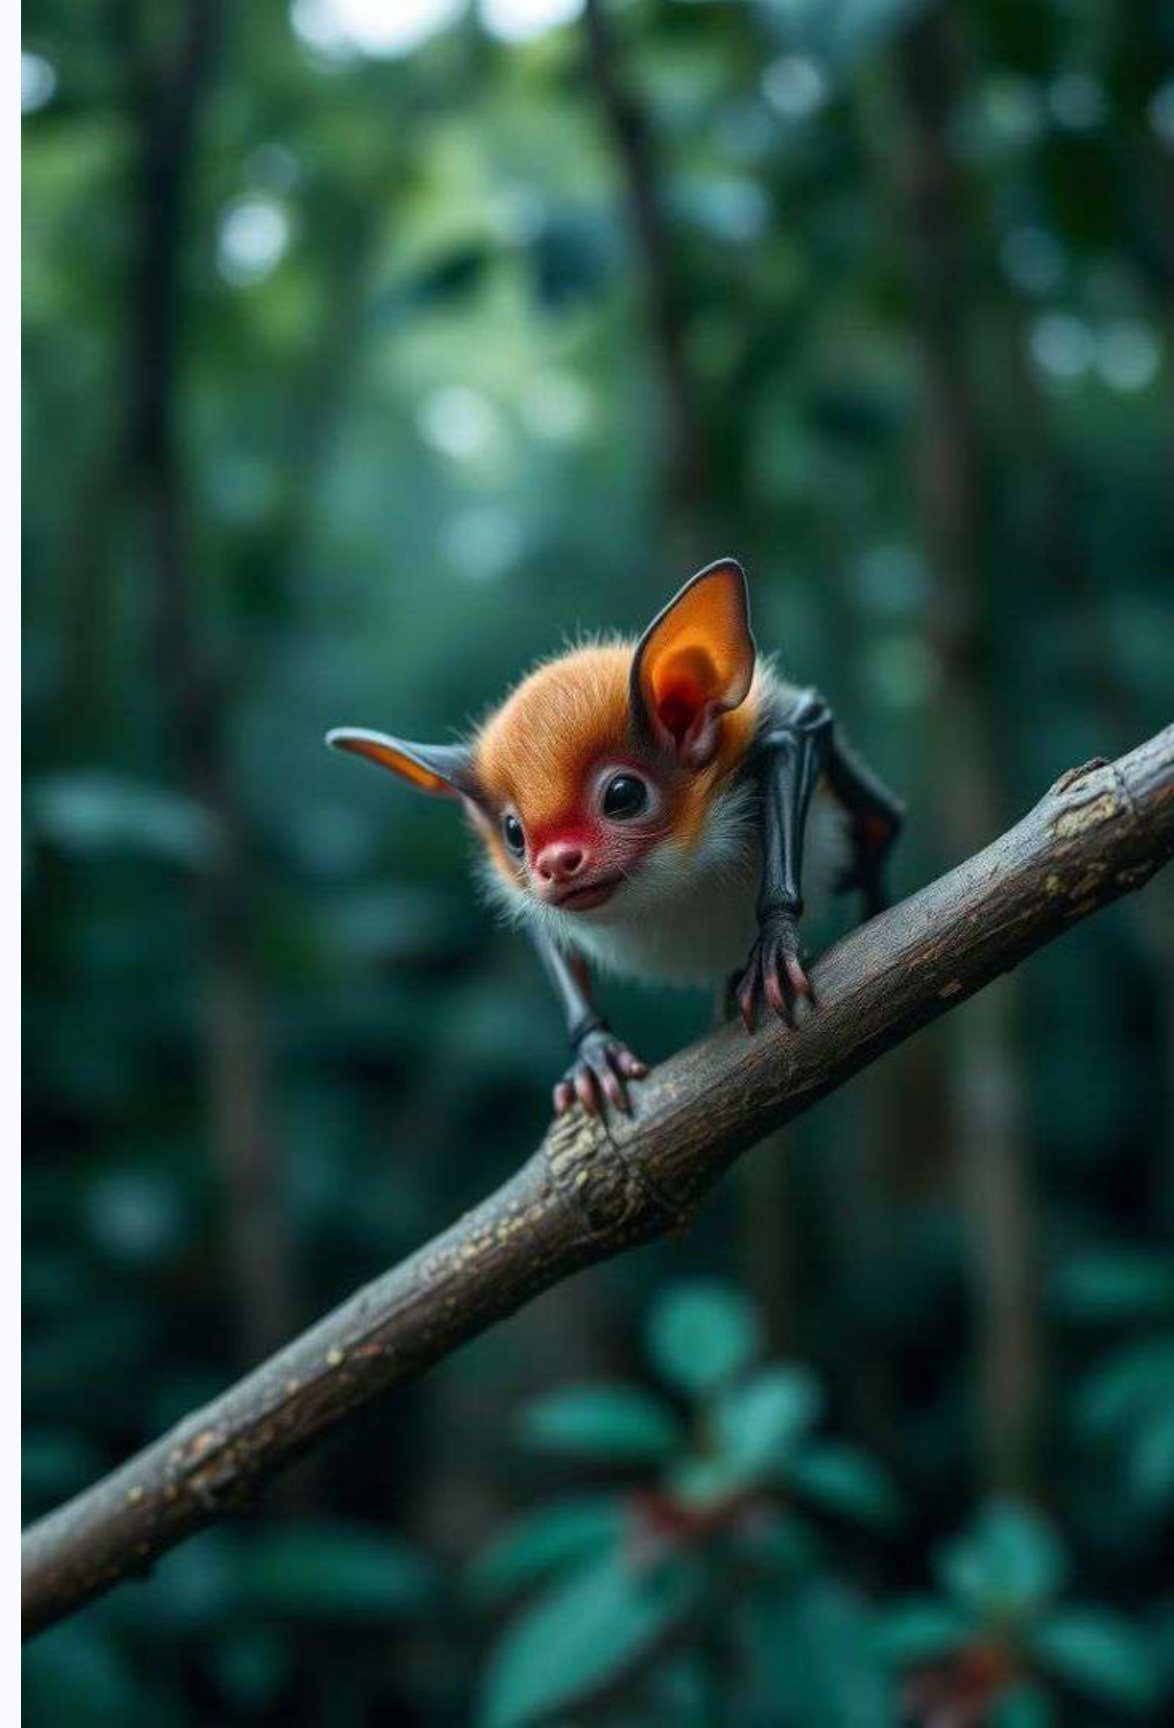

2

Nocturnal

Micro bats are nocturnal, active at night, and often overlooked due to their small size and cryptic lifestyle.

Importance

Despite their small size, micro bats play vital roles in pollination, pest control, and seed dispersal.

Importance of Micro Bats in the Ecosystem

1

Pollination

Micro bats pollinate various plants, including fruit trees, contributing to biodiversity and food production.

2

Pest Control

They consume large numbers of insects, including agricultural pests, providing valuable pest control services.

3

Seed Dispersal

Micro bats disperse seeds of various plants, contributing to the regeneration and diversity of forests.

Challenges in Micro Bat Conservation

1

Habitat Loss

Deforestation, habitat fragmentation, and urbanization threaten micro bat populations.

2

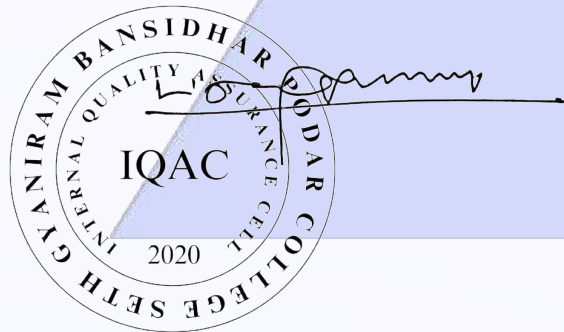

Pesticide Use

Pesticide use can harm micro bats directly and indirectly through the food chain.

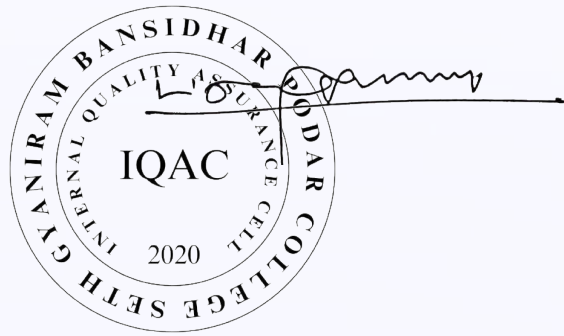

3

Lack of Awareness

Limited public awareness about the importance of micro bats hampers conservation efforts.

Thanks

Seth Gyaniram Bansidhar Podar College, Nawalgarh initially has Mahatma Gandhi as the first Chairman Trustee. The College is one of the finest institutions in the Shekawati region. Growing from the past of a Brahmacharya Ashram, the college has developed a lot according to the needs of the modern world. The aim with which the college was established is to educate the population and uplift them by the morals of education. The college has initially received donations from Shri Anandi Lal ji Podar. His wish was to educate the society he was brought up so that more people can have their dreams come true. The college established in the pre-independent era of the country has gone through a lot of changes, and now holds the respect of being one of the best. This is the first college in the pre-independent state of Jaipur. The College has a well-equipped library. With over 75,000 books and more than enough journals and magazines, the college provides the students freedom to know what they wish. Yearbooks, rare collections are also a part of the vast library. All science departments have their individual labs. Students are given training in these labs so as to better their understanding of the subject.

Subject: Request for Permission to Organize Faculty Development Program on "INTERDISCIPLINARY SUBJECT ASPECT".

Respected Sir,

With due regards, I, Ambesh Kumar, Assistant Professor, Department of Chemistry, respectfully request for taking permission to organize the faculty development program on "Interdisciplinary Subject Aspect" for the benefit of teaching staff of our institution.

The proposed FDP will cover the following key areas:

- **Understanding Interdisciplinary:** Exploring the concepts, benefits, and challenges of interdisciplinary studies.
- **Interdisciplinary Teaching Methodologies:** Sharing effective strategies for designing and delivering interdisciplinary courses and modules.
- **Interdisciplinary Research Approaches:** Discussing methodologies for conducting collaborative research across disciplines.
- **Case Studies and Best Practices:** Examining successful examples of interdisciplinary projects and initiatives.
- **Developing Interdisciplinary Curriculum:** Practical workshops on designing and implementing interdisciplinary curriculum.

We envision the FDP to be a 03 days program, scheduled for 04-07 November 2023 at Department of Chemistry.

We believe that this FDP will significantly benefit our faculty by:-

- Enhancing their understanding of interdisciplinary approaches.
- Improving their teaching and research skills in an interdisciplinary context.
- Promoting collaboration and knowledge sharing across different disciplines.
- Ultimately, enriching the learning experience for our students.

We kindly request your esteemed approval for the proposed FDP. We believe that this program will be highly beneficial for the professional development of our staff and contribute significantly to our institution's commitment to environmental sustainability.

Thank you for your time and consideration.

Yours sincerely
Mr. Ambesh Kumar

Seth Gyaniram Bansidhar Podar College, Nawalgarh initially has Mahatma Gandhi as the first Chairman Trustee. The College is one of the finest institutions in the Shekawati region. Growing from the past of a Brahmacharya Ashram, the college has developed a lot according to the needs of the modern world. The aim with which the college was established is to educate the population and uplift them by the morals of education. The college has initially received donations from Shri Anandi Lal ji Podar. His wish was to educate the society he was brought up so that more people can have their dreams come true. The college established in the pre-independent era of the country has gone through a lot of changes, and now holds the respect of being one of the best. This is the first college in the pre-independent state of Jaipur. The College has a well-equipped library. With over 75,000 books and more than enough journals and magazines, the college provides the students freedom to know what they wish. Yearbooks, rare collections are also a part of the vast library. All science departments have their individual labs. Students are given training in these labs so as to better their understanding of the subject.

Subject: Request for Permission to Organize a Faculty Development Program on "Office Record Management".

Respected Sir,

With due regards, I, Babulal Tanwar, In-Charge, Central Library, respectfully request permission to organizing the Faculty Development Program on "Office Record Management." Effective record management is crucial for the efficient functioning of any academic institution. This FDP aims to equip faculty members and administrative staff with the knowledge and skills necessary to manage office records effectively, ensuring compliance, accessibility, and preservation of vital information. The proposed FDP will cover the following key areas:

- **Importance of Record Management:** Understanding the legal, administrative, and historical significance of maintaining accurate records.
- **Types of Records:** Identifying different types of records (physical and digital) and their lifecycle.
- **Record Creation and Organization:** Best practices for creating, classifying, and organizing records for easy retrieval.
- **Record Storage and Retrieval:** Methods for storing and retrieving records efficiently, including filing systems, databases, and digital repositories.
- **Record Retention and Disposal:** Understanding retention schedules and procedures for disposing of records appropriately.
- **Digital Record Management:** Managing electronic documents, emails, and other digital information.

We envision the FDP to be a 03 day program, tentatively scheduled for 20 to 22 November at Department of Chemistry. We believe that this FDP will significantly benefit the institution by:

- Improving the efficiency and effectiveness of administrative processes.
- Ensuring compliance with relevant regulations and policies.
- Protecting institutional records and preserving valuable information.
- Enhancing the skills and knowledge of faculty and staff in record management.
- Reducing the risk of data loss or mismanagement.

We would be grateful if you could grant us permission to proceed with organizing this FDP.

Thank you for your time and consideration.

Yours sincerely,
Mr. Babulal Tanwar

Subject: Request for Permission to Organize Faculty Development Program on "Gardening and Cleaning"

Respected Sir,

With due regards, I, Shyama Didwaniya, respectfully request permission to organizing the Faculty Development Program on "Gardening and Cleaning" to be held at Department of Chemistry Room no. 32 from 23rd October to 25th October, 2023 for the benefit of teaching and non-teaching staff of our institution. It will provide us with an opportunity to:-

Objectives of the FDP:

- To enhance the understanding and appreciation of gardening practices among faculty members.
- To promote the importance of a clean and green environment within the institution.
- To provide practical knowledge and skills in various aspects of gardening, including plant selection, soil preparation, irrigation, and pest control.
- To foster a sense of environmental responsibility and encourage active participation in campus beautification initiatives.

Expected Outcomes:

- Increased awareness among faculty members about the significance of gardening and environmental conservation.
- Improved gardening skills and knowledge among participants.
- Enhanced aesthetic appeal of the campus through active participation in beautification projects.

We kindly request your valuable support and approval for this FDP. We believe that this program will be highly beneficial for teaching and non-teaching staff and contribute significantly to the overall well-being of our institution.

Thank you for your time and consideration.

Yours sincerely

Press Release

सौंदर्यीकरण एवं स्वच्छता पर फैकल्टी डेवलपमेंट प्रोग्राम आयोजित

नवलगढ़,, 26 नवंबर,सेठ जानीराम बंसीधर पोदार कॉलेज में 23 से 25 नवंबर तक एक महत्वपूर्ण फैकल्टी डेवलपमेंट प्रोग्राम आयोजित किया गया। इस कार्यक्रम का मुख्य विषय "सौंदर्यीकरण एवं स्वच्छता" रखा गया था।कार्यक्रम का उद्देश्य शिक्षकों को पर्यावरण संरक्षण, स्वच्छता के महत्व और बागवानी के लाभों के प्रति जागरूक करना था। कार्यक्रम में प्रतिभागियों ने विभिन्न विषयों पर व्याख्यान सुने, जिसमें जैविक खेती, खाद प्रबंधन, विभिन्न प्रकार के पौधों की देखभाल, और स्वच्छता अभियानों के प्रभावी क्रियान्वयन शामिल थे।विशेषज्ञों ने शिक्षकों को सिखाया कि कैसे वे अपने विद्यालयों के परिसरों को सुंदर और स्वच्छ बना सकते हैं। इसमें बागवानी तकनीकों का उपयोग, कचरा प्रबंधन, और जल संरक्षण के उपाय शामिल थे। कार्यक्रम में शिक्षकों ने स्वयं भी हाथों-हाथ करके पौधे रोपे और खाद बनाई।इस कार्यक्रम से शिक्षकों को पर्यावरण के प्रति संवेदनशीलता बढ़ाने और अपने विद्यालयों में स्वच्छता अभियान चलाने के लिए प्रेरित किया गया। उम्मीद है कि इस कार्यक्रम के माध्यम से शिक्षक अपने विद्यार्थियों को भी पर्यावरण संरक्षण के महत्व के प्रति जागरूक करेंगे।

Seth Gyaniram Bansidhar Podar College, Nawalgarh initially has Mahatma Gandhi as the first Chairman Trustee. The College is one of the finest institutions in the Shekawati region. Growing from the past of a Brahmacharya Ashram, the college has developed a lot according to the needs of the modern world. The aim with which the college was established is to educate the population and uplift them by the morals of education. The college has initially received donations from Shri Anandi Lal ji Podar. His wish was to educate the society he was brought up so that more people can have their dreams come true. The college established in the pre-independent era of the country has gone through a lot of changes, and now holds the respect of being one of the best. This is the first college in the pre-independent state of Jaipur. The College has a well-equipped library. With over 75,000 books and more than enough journals and magazines, the college provides the students freedom to know what they wish. Yearbooks, rare collections are also a part of the vast library. All science departments have their individual labs. Students are given training in these labs so as to better their understanding of the subject.

Subject: Application for Faculty Development Programme on "Use of Technology in Teaching and Assessment"

Respected Sir,

With due regards, I, Mukesh Saini, Assistant Professor, PIMS Department, respectfully request permission to organizing the Faculty Development Program on "Use of Technology in Teaching and Assessment" for the benefit of teaching staff of our institution.

It will provide us with an opportunity to:

- Effective integration of technology tools such as Learning Management Systems (LMS), interactive whiteboards, educational software, and online resources in teaching and learning.
- Developing and delivering engaging online courses and blended learning experiences.
- Utilizing technology for effective assessment including online quizzes, automated grading, and performance tracking.
- Exploring innovative pedagogical approaches that leverage technology to enhance student learning outcomes.
- Developing digital literacy skills for both myself and my students.

We kindly request your valuable support and approval for this FDP. We believe that this program will be highly beneficial for teaching and non-teaching staff and contribute significantly to the overall well-being of our institution.

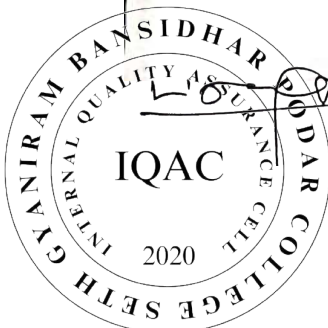

Thank you for your time and consideration.

Seth Gyaniram Bansidhar Podar College, Nawalgarh initially has Mahatma Gandhi as the first Chairman Trustee. The College is one of the finest institutions in the Shekawati region. Growing from the past of a Brahmacharya Ashram, the college has developed a lot according to the needs of the modern world. The aim with which the college was established is to educate the population and uplift them by the morals of education. The college has initially received donations from Shri Anandi Lal ji Podar. His wish was to educate the society he brought up so that more people can have their dreams come true. The college established in the pre-independent era of the country has gone through a lot of changes, and now holds the respect of being one of the best. This is the first college in the pre-independent state of Jaipur. The College has a well-equipped library. With over 75,000 books and more than enough journals and magazines, the college provides the students freedom to know what they wish. Yearbooks, rare collections are also a part of the vast library. All science departments have their individual labs. Students are given training in these labs so as to better their understanding of the subject.

Subject: Permission for organizing faculty development programme on "EXAMINATION TRAINING" for teaching & non-teaching staff.

Respected Sir,

With due regards, I, Sandeep Jangir, respectfully request permission to organizing the Faculty Development Program on "EXAMINATION TRAINING" to be held at Department of Chemistry Room no. 32 from 04-06 December, 2023 for the benefit of teaching & non-teaching staff of our institution.

The proposed FDP will cover the following key areas:

- **Improving examination question paper setting techniques:** Learning to frame effective and objective questions that assess student learning accurately.
- **Developing robust evaluation and marking schemes:** Ensuring fair and consistent assessment of student performance.
- **Understanding and implementing innovative examination methods:** Exploring alternative assessment methods like projects, presentations, and portfolios.
- **Enhancing examination-related communication with students:** Effectively conveying examination guidelines, expectations, and feedback.
- **Addressing examination anxiety and stress among students:** Learning strategies to help students manage exam-related stress and perform to their best abilities.

We kindly request your esteemed approval for the proposed FDP. We believe that this program will be highly beneficial for the professional development of our staff and contribute significantly to our institution's commitment to environmental sustainability.

Thank you for your time and consideration.

Yours sincerely
Mr. Sandeep Jangir
Coordinator
Department of Commerce

Subject: Request for Permission to organize Faculty Development Program on "Green Energy".

Respected Sir,

With due regards, I, Dr. B. S. Rathore, HOD, Department of Physics, respectfully request permission to organizing the Faculty Development Program on " Green Energy " to be held at Department of Chemistry Room no. 32 from 11th December to 13th December, 2023 for the benefit of teaching and non-teaching staff of our institution.

It will provide us with an opportunity to:-

- Enhance my knowledge and understanding of various aspects of green energy technologies, including solar, wind, hydro, bioenergy, and geothermal energy.
- Gain insights into the latest advancements in green energy research and development.
- Learn about the practical applications of green energy technologies in various sectors.
- Develop pedagogical skills to effectively integrate green energy concepts into my teaching curriculum.
- Network with other faculty members and researchers working in the field of green energy.

We kindly request your valuable support and approval for this FDP. We believe that this program will be highly beneficial for teaching and non-teaching staff and contribute significantly to the overall well-being of our institution.

Thank you for your time and consideration.
