GBPC/IQAC/2024/01/01

Date- January 04, 2024

Office of IQAC

To: All Faculty Members
From: IQAC, Seth Gyaniram Bansidhar Podar College
Date: January 4, 2024

Subject: Science and Educational Fair

The IQAC is pleased to announce that the Science and Educational Fair will be held at Seth Gyaniram Bansidhar Podar College from January 29 to 31, 2024.

This is a great opportunity for students to showcase their scientific and educational talents.

The fair will be open to all students from the college. Students will be able to participate in a variety of activities, including:

- Science projects
- Educational exhibits

We encourage all faculty members to encourage and guide their students to create working models related to their respective subjects. We also encourage faculty members to work with publishers, educational material suppliers, and other relevant organizations to set up stalls at the fair. If a sufficient number of high-quality stalls are secured, a tent will be set up in the NCC ground. Otherwise, the Science Fair will only be held in the auditorium.

We are looking forward to a successful Science and Educational Fair.

Responsibilities of Faculty Members:-

- Encourage and guide students to create working models related to their respective subjects.
- Work with publishers, educational material suppliers, and other relevant organizations to set up stalls at the fair.

Ensure that all stalls at the fair are in accordance with the theme of the program
